Holy Eucharist Catholic Primary School Commitment Statement to Child Safety

A safe and nurturing culture for all children and young people at our Catholic school

‘The intention for this statement is to provide a central focus for child safety at our Catholic school, built around a common understanding of the moral imperative and overarching commitments that underpin our drive for improvement and cultural change…."

…Holy Eucharist Primary School together with the CECV will stay abreast of current legislation and will meet legislative duties to protect the safety and wellbeing of children and young people in our care, including the Victorian Child Safe Standards (Victorian Government 2016), mandatory reporting, grooming, failure to disclose and failure to protect requirements.

1As defined by the Victorian Government Special Gazette No. 2 (2016), ‘children and young people’ in this document refers to those children and young people enrolled as students in Catholic schools in Victoria.

2Holy Eucharist Catholic Primary School Commitment Statement to Child Safety

EVIDENCE OF THIS OCCURRING AT HOLY EUCHARIST

When allegations of abuse concerning children and young people are raised, Holy Eucharist Primary School will take prompt action to have these appropriately referred and investigated.

- Holy Eucharist is resolutely committed to ensuring that all those engaged in our Catholic primary school promote the inherent dignity of children and young people and their fundamental right to be respected and nurtured in a safe school environment.
- Holy Eucharist School has in place policies, processes and practices ensuring child safety is key within its culture and that these represent best practice.

Values

At Holy Eucharist we believe that:

“Christian values such as respect, concern and care, hospitality, compassion and forgiveness are seen in the relationships among all who make up the school community-students, staff, parents and parish……….. "

Based on this excerpt from our vision policy we expect all within our community to behave in an appropriate manner at all times.
Rationale
We believe that a policy dealing especially with Bullying is needed to provide children and teachers with a process for dealing specifically with the problem of Bullying, inside and out of the classroom including excursions and camps. Bullying is a problem that will re-occur unless it is dealt with consistently and specifically by all.

Aims
• To give students strategies to deal with Bullying inside and out of the classroom.
• To provide all staff with strategies and processes to deal with Bullying inside and out of the classroom.
• To provide parents and the Holy Eucharist community with information about how the school intends to deal with Bullying.
• To place this policy within the current HE Discipline Policy and as part of the Booklet Discipline Policy.

Implementation
• This policy will be included in our Discipline Policy that is already in place.
• Strategies to deal with Bullying specifically, are included within this policy.
• Parents will be made aware of this policy through publishing information about the “Bullying policy” in the school Newsletter.
• Teachers are aware of the new policy and will each be given a copy to be included in their Discipline policy folder.
• Children will be made aware of the new policy through their classroom teacher who will incorporate this into their yearly/weekly curriculum and teach specific lessons for this at the appropriate time.
• Emergency teachers will be made aware of the “Bullying Policy” through the HE Emergency teacher handout, given to them upon beginning work at Holy Eucharist.
• A list of strategies and resources to help both children and staff will also accompany the policy to support its implementation and use by all at Holy Eucharist.

Evaluation.
• Policy to be reviewed by all staff at the beginning of each year.

• Any repeated action of physical, emotional and verbal, psychological or social abuse by one person or a group, with the intention of seeking power or control over others. It involves an imbalance of power or intention to hurt in some way. Victims may fail to seek help if the help is not forthcoming and may show “symptoms” through their own behaviour.

POSSIBLE STRATEGIES FOR CHILDREN TO DEAL WITH BULLYING.

• Abused person states that they have the right to be left alone.
• Networking- knowing 5 people that you can go to and trust. Child or adult.
• All children should know (be told) what happens if this behavior continues.
• Referral system to a counselor or psychologist.
• Children should recognise what a bully is and the ways they can be bullied.
• Behavior management skills. Be firm and clear.
• Use defensive body language.
  “Getting away” solutions.
  Knowing the difference between
  telling someone and “dubbing”
  Sharing the experience with others.
• Children to know that if the behaviour continues that the “bully’s” name will be put in the Discipline Book in the office.
• Guest speakers. Eg “God Squad”.
• School counselor (To talk to children).

Buddy system. Encourage more! Behavioral management skills should be taught across the whole school.

POSSIBLE STRATEGIES FOR TEACHERS TO DEAL WITH BULLYING.

• Find out exactly what happened- hear all sides of the story.
• Deal with the problem straight away! Do not leave it up to the child’s teacher especially if it happens on the yard.
• Revisit school discipline policy. Refer to serious offences in the discipline policy.
• Teach “Lifeskills” specifically. Incorporate it into your everyday work. A small topic each week!
• Have an evidence book.
• Follow up any problems with the children and teachers concerned.
• Make use of the people we have in the school to support you.
• Referral system for dealing with the problem.
• Become more approachable!
• Talk to all parties involved.
• Call in the parents if needed.
• Call outside organisations if needed. Councilor, police, Catholic Family Welfare bureau.

POSSIBLE CONSEQUENCES OF BULLYING.

• Matter brought to the attention of the Principal and Vice Principal when the behaviour has been observed and recorded in the Discipline book 3 times.
• Matter brought to the attention of the parents after the child’s name has been put into the Discipline Book 3 times for this offence.
• Parents asked to come in for a meeting.
