### GRADE 5 and 6

The art you do today needs to be emailed to me at the end of this week.

#### Week 3

Last week you had some practice with all types of lines and you practised curvy, straight and horizontal lines to create 3D spheres.

*This week we will explore the element of 'line' to the next level.  
You will do optical illusion by creating curvy and diagonal line.  
This is art therapy for you and you will ENJOY!*

**Step 1.** Watch the video to get ideas:

Get unstuck with lines (Art therapy)

**Step 2.** You will need:

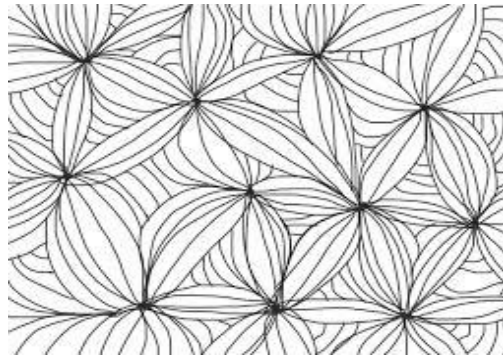

- square piece of white paper
- black marker

Draw a large square border with your black marker on your paper.

**Step 3.** Divide your tile by drawing 6 -7 random curvy lines on your paper.

**Step 4.** Start on the line, slightly curve around the line. Echo or repeat the curves.

**Step 5.** Watch your optical illusion picture.
