WEEK 7 GRADES 3 & 4

Learning Intention: This week we will learn about **technical art** and draw block letters to write our names, using one-point perspective. Also you will use tools for technical drawing i.e. a ruler, pencil, coloured pencils and markers and white paper, using line, shape, colour, tone and perspective.

Step 1. Watch the video on the techniques of writing your name and fitting it on an A4 size paper using one-point perspective.

<https://www.google.com/search?q=Writing+names+with+one+point+perspective&og=Writing+names+with+one+point+perspective&aqs=chrome..69i57j0.13309j0j7> writing your name

Or

<https://www.youtube.com/watch?v=1xEY1w2ab3A> one point perspective

Step 2. Fold your paper in half, put a cross right on top on the middle crease line.

Step 3. Write your own name in block letters, square the letters.

Step 4. Join all the letters of your name with a converging or vanishing line to the Vanishing point or the point X.

Step 5. Use your ruler to draw the lines and colour the spaces.

(For those who do not have a computer, see the activity overleaf)

Write letters of your name using the vanishing or converging lines and joining to the vanishing point. An example has been given below.
