WEEK 8 GRADES 5 & 6

Learning Intention: This week we will be reinforcing the skills you have learnt, to further explore the tools on Sketchpad Online, to create your special name and decorate with symbols that most suit you and your personality. You will be using skills and elements of line, colour, shape, pattern, tone and texture to make your artwork visually effective.

Steps:

1. Watch the video of me teaching you how to use Sketchpad Online.
2. Open Sketchpad Online using the link: <https://sketch.io/sketchpad/> or you can just Google Sketchpad Online.
3. Create your picture.

- Use the to choose a background (plain or textured)

- Use the Clipart symbol to get your choice of pictures.

- Use the text symbol to add writing.

- Explore some of the other tools. Let's see how creative you can get!

- Once finished, make sure you save your image by going to **Export** and save your image as a **jpeg** file. Save your download on your Desktop/Drive and submit this in the art assignment for Week 5.

DON'T HAVE A COMPUTER, DO THIS INSTEAD

If you don't have access to a computer, use the template below to create your own name in bubble writing and decorate. Two examples have been given to you.

A large empty rectangular box with a green border, intended for creating a bubble letter name. The box is empty and occupies the lower half of the page.
