

Dear Parents/Caregivers,

Each grade level has a designated gate to enter/leave the school. Please remember:

- To line up at designated gates: **Grades Prep, 1 and 2 at 8:40 – 9:00am** and **Grades 3, 4, 5 and 6 at 9:05am to 9:20am.**
- That all students will have their temperature taken upon entry.
- To please maintain 1.5 metre social distancing rule.

NB: If there is more than one child in the family, parents can use one gate to drop off and pick up their children (as long as one child from the family is from the year level specified on the gate and that the same gate is used for pick up).
