*This week, you will be making **sound effects!***

**Sound effects** are made by using objects to make the sounds of something happening.

Watch this video of kids making sound effects:

You can choose an activity this week:

1. Watch a part of your favourite movie, turn the **sound OFF** and YOU make the sounds for what is happening.

**OR**

2. Make up a story in your head, tell it to someone and make the sounds for it!

Keep playing '**Twinkle Twinkle Little Star**'. Use different objects this week.
