SOUND!

Damian.OBree@hestalbanssth.catholic.edu.au

- *This week, you will be making **sound effects!***
- ***Sound effects** are made by using objects to make the sounds of something happening.*
- *People who do this for a job are called **Foley Artists.***

Watch this video of some Foley Artists at work:

https://www.youtube.com/watch?v=UO3N_PRIgX0

Choose a 2 or 3 minute section of a movie you like.

Turn the sound OFF and YOU create the sound effects!

Record it for me and send it to your Google Classroom!

*Keep practising **Alison's Camel**, but this week use different **pitched** objects.*
