SOUND!

Damian.OBree@hestalbanssth.catholic.edu.au

This is how we write music. You have probably seen this before.

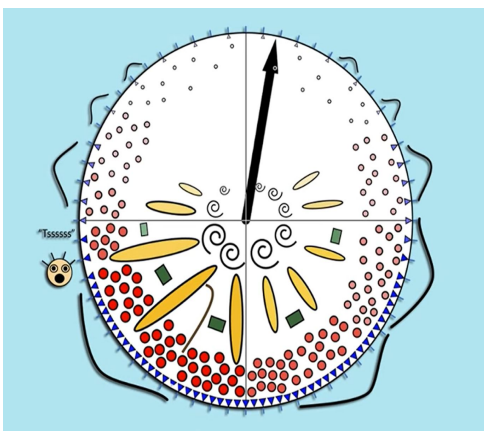

Row Row Row Your Boat

Folk song

Row, row, row your boat Gent - ly down the stream.

Mer - ri - ly, mer - ri - ly, mer - ri - ly, mer - ri - ly, life is but a dream.

This is also a way of writing music.
You might not have seen this before.

Listen to this music being played:

Answer these questions:

1. What is the music called?
2. What do all the symbols mean?
3. What's happening in the music?

1. I want you to play the music on the video. Find objects for all the symbols. Play the video, but turn the sound **OFF**. **YOU** create the sounds.

Record it for me and send it to my email or your Google Classroom.

2. This week, have a **think** and **write down some ideas** about how you could write music this way? What pictures and symbols would you use?

We will do more work on this next week. This week, I just want you to **think** and **make a plan**.

Have fun and be creative!
