### HOMEMADE INSTRUMENTS

This week, you are going to make a **Maraca!** (also called a shaker)

1. **Choose a container** that is made of good thick material. This can be a plastic bottle or any strong container.

2. You can use **sand** and **rice** for a soft effect and **lentils, or bigger dried peas** and **beans** for a louder sound. Leave some space and seal the container with tape so everything doesn't fall out.

3. Decorate the outside of your shaker. You have a Maraca! Take a picture and put it on Dojo.

*Now you're ready to sing and play along to:*
