HOMEMADE INSTRUMENTS

This week, you are going to make a **Maraca!** (also called a shaker)

Watch this video.

1. Find a plastic bottle or other container.
2. You can use **sand** and **rice** for a soft effect and **lentils**, or **bigger dried peas** and **beans** for a louder sound. Leave some space and seal the container with tape so everything doesn't fall out.

3. **Decorate the outside of your shaker.**

You have a Maraca!

Take a picture and put it on Dojo.

Now you're ready to sing and play along to:

'I Know a Chicken'!

Have fun!
