Learning Intention:

1. You will trace around your hand on a folded A4 coloured or any paper. When you cut you will

get two symmetrical hands as shown in the pictures to make a happy face mask.

Element of art - line and shape and colour.

2. Cut two eyes in the shape of an oval or leaf, so you can see out of these holes.

3. Decorate the mask in paint, coloured pencils or coloured paper.

4. Attach a straw with a masking or cello tape to hold the mask on your eyes. Enjoy!
