

Music Term 3 - Week 9

Grade 3 & 4

SOUND!

Damian.OBree@hestalbanssth.catholic.edu.au

This is a normal orchestra.

Click on this link below and watch an orchestra made of junk and other objects. They called themselves the ‘**Junkestra**’

There are lots of short videos and a long one of their whole concert.

What did you like about Graeme Leak’s Junkestra?

Draw and label a design for your own junkestra. What homemade instruments do you want and how many of them? Where are you going to put them in your design? Look at the picture of an orchestra at the top of the page to help you with your design.

Take a picture and post it on Google Classroom.

BE CREATIVE AND HAVE FUN!
