Monday 7th June, 2021

Watch the video of The Three BIlly Goats Gruff: https://youtu.be/wYwunaYUS0Q. You can read a different version here. We will use this story for most of the week. After reading or watching the story video, complete the worksheet on the next page.

The Three Billy Goats Gruff

Once upon a time, there were three Billy Goats Gruff who lived in a valley. One day, they saw a field of sweet, green grass, but to get there they had to cross a bridge and underneath there lived a terrible, grumpy troll. The three goats made a plan.

The smallest Billy Goat Gruff came to the bridge. "Who's that trip trapping over my bridge?" growled the troll.

"It's only me, the little Billy Goat Gruff," said the smallest goat.

"Then I'm going to eat you up!" roared the troll.

"Don't eat me, I'm much too little," said the smallest Billy Goat Gruff. "My brother is coming after me and he is much bigger." So the troll waited for him.

Next, the medium-sized Billy Goat Gruff came over the bridge. "Who's that trip trapping over my bridge?" growled the troll.

"It's only me, the medium-sized Billy Goat Gruff," said the goat.

"Then I'm going to eat you up!" roared the troll.

"Don't eat me, I'm much too little," said the medium-sized Billy Goat Gruff. "My brother is coming after me and he is much bigger." So the troll waited for him.

Soon, the biggest Billy Goat Gruff came over the bridge.

"Who's that trip trapping over my bridge?" growled the troll.

"It's me. Big Billy Goat Gruff," said the goat.

"Then I'm going to eat you up!" roared the troll.

"Oh no you won't!" shouted the biggest goat, and he charged at the troll. Smack! He butted him right over the edge of the bridge. The troll fell into the river and was never seen again.

The big Billy Goat Gruff joined his brothers. They found their field of sweet, green grass and ate lots.

The Facts On Facts!

Informative texts contain facts. Facts are true statements about the topic that can be proven. For example…

Fire fighters fight fires.

A mountain is a landform.

Cows eat grass.

Diggers are big machines.

Write down any 2 facts that you know:

1. _____

2. _____

Next, watch the Fact or Opinion for Kids video on YouTube.

Sort out the statements below into Facts or Opinions about Caterpillars.

Facts and Opinions - Caterpillars

Facts	Opinions

Caterpillars like salami more than apples.	Caterpillars come from eggs.
Caterpillars build cocoons.	All butterflies are beautiful.
Caterpillars eat leaves.	Caterpillars are greedy insects.
Caterpillars like sunny days.	Caterpillars turn into butterflies.

Your task is to **record a video** of yourself **reading a book** and upload it onto the **Student Portfolio** on ClassDojo.

Here is what you MUST include/do in your video:
- Go to a quiet space and place your camera down while you record.
- Say the **TITLE** of the book
- Say the **AUTHOR** of the book
- Read with expression!
  - You could practise a few times before filming to make sure that you can read smoothly and can say the words correctly and with expression.

Complete your specialist activities. These are posted on ClassDojo by your specialist teachers.
