READING	Learning Intention	Task
Each day Monday - Friday	**LI: We are learning to summarise and ask questions about the texts we read**	1. Read a book of your choice (from Epic or a book at home). 2. Write a summary of the text you have read. 3. Write a question that you have for the author about the text.

WRITING	Learning Intention	Task
Monday and Tuesday	**LI: We are learning to write an Information Report**	This week you will be writing an Information Report on a topic of your choice. Pick a topic that interests you and don't forget to extend your research questions. 1. Brainstorm topics for your Information Report. 2. Use the Research Record worksheet to begin researching your topic. Don't forget to extend your questions. Make sure you are recording the websites you use. 3. Write a plan to outline what you are going to write in your Information Report. Remember to structure your plan with an introduction, 3 body paragraphs and a conclusion
Wednesday and Thursday	**LI: We are learning to write an Information Report**	1. Use your Research Record and plan to draft your Information Report.
Friday	**LI: We are learning to write an Information Report**	1. Edit and revise your Information Report 2. Submit your Information Report on Google Classroom.

MATHS	Learning Intention	Task
Monday	**LI: We are learning to multiply 2 digit numbers by 1 digit numbers**	**Warm up activity:** Multiplying and Dividing worksheet (first column) **ACTIVITY:** 1. Complete the 'Multiplying by 9' worksheet and submit it on Google Classroom. **Extension activity:** Sunset Maths or My Numeracy (on Essential Assessment)
Tuesday	**LI: We are learning to multiply 2 digit numbers by 1 digit numbers**	**Warm up activity:** Multiplying and Dividing worksheet (second column) **ACTIVITY:** 1. Correct the 'Multiplying by 9' worksheet from yesterday and submit it on Google Classroom. Make sure you write a comment explaining where you went wrong in the errors you made. 2. Complete the '2 digit by 1 digit Multiplication' worksheet and submit it on Google Classroom. **Extension activity:** Sunset Maths or My Numeracy (on Essential Assessment)

Wednesday	LI: We are learning to multiply 3 digit numbers by 1 digit numbers	**Warm up activity:** Multiplying and Dividing worksheet (third and fourth column) **ACTIVITY:** 1. Correct the '2 digit by 1 digit Multiplication' worksheet and submit it on Google Classroom. Make sure you write a comment explaining where you went wrong in the errors you made. 2. Complete the '3 digit by 1 digit Multiplication' worksheet and submit it on Google Classroom. **Extension activity:** Sunset Maths or My Numeracy (on Essential Assessment)

RELIGION	Learning Intention	Task
Monday, Tuesday and Friday	LI: We are learning about The Apostles' Creed	1. Read The Apostles' Creed Prayer. 2. Create a poster for The Apostles' Creed. Decorate your poster with images that represent what The Apostles Creed means to you.

INQUIRY	Learning Intention	Task
Monday	LI: We are learning about the Solar System	1. Complete the 'Earth, Sun and Moon Activity' worksheet. You may wish to write the answers in the table rather than cut and paste them. 2. Submit onto Google Classroom.
Tuesday and Wednesday	LI: We are learning about the Solar System	1. Complete the 'Earth, Sun and Moon Diagram' as a poster. This will be submitted to your classroom teacher when we are back at school.

Social Learning	Learning Intention	Task
Thursday and Friday	LI: We are reflecting on the things that make us happy	Complete the 'Things That Make Me Happy' worksheet. You may use the template provided on Google Classroom or make your own poster. This will be submitted to your classroom teacher when we are back at school.

RESEARCH RECORD - TOPIC:

QUESTIONS	FACTS	SOURCE (Where I got the information.)

Multiplying and Dividing (A)

Calculate each product or quotient.

8 × 6 =	45 ÷ 5 =	4 × 2 =	1 × 4 =
7 × 8 =	8 × 9 =	5 × 6 =	42 ÷ 7 =
42 ÷ 6 =	3 × 1 =	56 ÷ 7 =	81 ÷ 9 =

The Apostles' Creed

I believe in God,
the Father almighty,
creator of heaven and earth,
and in Jesus Christ, his only Son, our Lord,
who was conceived by the Holy Spirit,
born of the Virgin Mary,
suffered under Pontius Pilate,
was crucified, died and was buried;
He descended into hell;
on the third day he rose again from the dead;
He ascended into heaven,
and is seated at the right hand of the God the Father almighty;
from there he will come to judge the living and the dead.
I believe in the Holy Spirit,
the Holy Catholic Church,
the Communion of Saints,
the forgiveness of sins,
the resurrection of the body,
and life everlasting.

Amen.

Earth, Sun and Moon Activity

Sun	
Earth	
Moon	

Earth, Sun and Moon Activity

Cut out these facts and put them in your Earth, Sun and Moon table.

Roughly spherical and is over 15 million degrees at its core.

Roughly a quarter of the size of Earth.

Largely made of gas.

A ball of rock that orbits the Earth.

More than 100 times the size of the Earth.

Over 40,000km at its circumference.

Orbits the Earth at about 3000km an hour.

Travels at 100,000km per hour through space.

Earth, Sun and Moon Fact Diagram

Cut out these facts and put them around your Earth, Sun and Moon Fact Diagram.

The Earth spins on its axis once every 24 hours. As we turn away from the Sun, we enter night.	The Moon orbits the Earth once every 28 days.	The Sun is a star at the centre of our solar system.
The Earth orbits the Sun once every 365 $\frac{1}{4}$ days.	The Earth's tilt on its axis is what causes our seasons.	The Moon is about 320,000 km away from the Earth.
The Moon doesn't change shape; it is the Sun's light that makes it appear to wax and wane.	Water covers 70% of the Earth. The other 30% is covered by land.	The Moon is only held in place by the gravitational pull of the Earth.
The corona of the Sun is made from helium and hydrogen.	The Moon doesn't shine. It reflects the Sun's light.	The temperature at the centre of the Sun is 15 million degrees.

Things That Make Me Happy

What makes you happy? Have a think and talk about your ideas with a grown-up and your friends. Draw an idea into each thought bubble – you can draw a smiley, happy picture of you too!
