Grades 3 and 4

Learning Intentions: This week we are learning to create a dream catcher sun hanging by using aluminium foil and a roll of toilet paper. **HAVE FUN!!**

You will need: cardboard circle, toilet roll, aluminium foil, glue, scissors. **If you do not have the materials draw a sun with the rays around it, and colour it.**

Step 1 collect 1 or 2 empty rolls of toilet paper

Step 2 cut them into thin wedges, so they look like a leaf

Step 3 now trace round a small plate on the cardboard

Step 4 cut out the circle and wrap front and back with aluminium foil to represent the sun

Step 5 cut thin toilet roll wedges, as shown above and glue around the sun

Step 6 make a hole on the top, put a string through it and hang it where it can move with the wind

You have made a dream catcher hanging

Send a picture and save it in Google Classroom

Name: _____ Class: _____ Date: _____

Activity: Connect the pictures to the correct words and trace the Chinese characters & Pinyin.

yóu yǒng	游泳
zú qiú	足球
pīng pāng qiú	乒乓球
lán qiú	篮球
gǎn lǎn qiú	橄榄球
pǎo bù	跑步

tǐ cāo	体操
yùn dòng	运动
pái qiú	排球
wǎng qiú	网球

Well Done!! (。・∀・)/

Please look after yourself and be safe!

-- Miss Sun

Hardware and Software

Which is Which?

twinkl

What is Hardware?

Computer hardware refers to all the different parts of a computer that you can physically touch.

Like the monitor,

What is Hardware?

It can also include other parts.

portable devices, printers, scanners, hard drives,

What is Hardware?

Anything that you can touch on, or plug in to a computer is classed as hardware.

So what is software?

What is Software?

Computer software is a set of instructions given to the computer so it can do specific things. You can't touch software.

Live games,
Programs,

Exploring the Sun

1. Read and copy the following statements into your book and identify whether they are true or false and explain why.

A. The Sun is a planet. _____

B. All the planets in the Solar System revolve around the sun. _____

C. The core temperature of the sun is 15 billion degrees. _____

D. The biggest planet in the solar system is the sun. _____

E. It is possible for humans to land on the outer atmosphere of the sun. _____

2. Read and write only the correct statement for each of the sentence pairs provided.

A. Offering a human sacrifice would stop the sun from becoming angry and the temperature rising.

B. Offering a human sacrifice would not make any difference to the temperature of the sun.

C. The core of the sun is basically a nuclear reactor that produces massive amounts of energy.

D. The core of the sun is a hot ball of gas that produces massive amounts of energy.

E. The outer atmosphere of the sun is called neurona.

F. The outer atmosphere of the sun is called corona.

G. The Parker Probe will orbit the sun 24 times before sending it's important data back to earth.

H. The Parker Probe will orbit the sun 34 times before sending it's important data back to earth.

I. Without the Sun's intense energy and heat there would be no life on Earth.

J. Without the Sun's intense energy and heat there would be life on Earth.

Music Term 3 Week 5

Gr. 3-6

THE ORCHESTRA

Watch this animation short film of a little quaver  travelling through the world of the orchestra. The little quaver travels through lots of musical **districts**.

<https://www.youtube.com/watch?v=a7veVFRKkQI>

This short movie goes for just over 18 minutes so get comfortable and enjoy! It's very clever.

What was your favourite part of the short movie?

Tuesday: Science Report

1. With the materials written down onto the timetable, write down a prediction of what will happen at the end of the experiment.
2. Separate the materials and tools from the list given.

Small soda bottle, balloon, baking soda, vinegar, measuring cup, funnel, teaspoon

3. Watch the link: <https://youtu.be/uVzzHoE6Edg>
4. Fill out the procedure and a creative title for the experiment.

Title:

Hypothesis:

Equipment:

Materials:	Tools:

Procedure:

Thursday:

1. Draw out the diagram of the finished product of the experiment on a separate sheet of paper and send it to your teacher.
2. Write a paragraph for your results to do with what happened at the end of the experiment and what was the reaction between the materials used.
3. Write a paragraph for your reflection on whether your hypothesis was correct or incorrect. Remember to include as to why it was incorrect/correct.

Term 3 Week 5 Grade 3 & 6 Physical Education Remote Learning

Hello 3-6 students, parents and carers,

Here are WEEK 5 activities, students can access the websites using a device. Some activities require sports equipment, use something from around the house that would do the same job as the sports equipment. You need a small space to do most of these activities, if you have outdoor space then use that.

STUDENTS:

If you don't have access to a digital device or internet, go for a bike ride, walk, little jog, kick to kick with siblings or adults (if weather permits).

No Google Meets in week 5, but please get outside and get active. (If weather permits)

Students and Parents, please don't hesitate to contact me for any help or support on:

heribert.herrera@hestalbanssth.catholic.edu.au

Stay Safe and take care of your family.

Mr. Herrera Physical Education Teacher.

Warm-Up 5 Minutes Equipment: <ul style="list-style-type: none">• Water Bottle• Yoga mat (if you have one)• Space to exercise Learning Intention: I'm learning to warm-	Make sure you warm up before the main activity. Watch the following YouTube Video if you don't have access to a device. Try these warm up activities: Run on spot for 30 seconds, Star jumps x 10, Frog jumps x 10, Squats for 20 seconds. High knees for 30 seconds, Warm Up Video: Warm Up Video:
---	---

up correctly.

Link: [Here's the most EFFECTIVE warm up routine I use for my P.E lessons](#)

Activity or Skill:
Workout

Learning Intention:
I'm learning to build my strength and endurance.

Give each exercise a go, push yourself and be confident :)

YouTube Link: [20 Minute Full Body Workout - No Equipment Needed | The Body Coach TV](#)

Warm-Down
5-10 Minutes
Stretching is important to help us recover and cool down our body.

Learning Intention:

- I'm learning to cool down correctly after my activity.

Warm down for 5 to 10 minutes:

Six Steps For Sticking Up For Me

Six Step Stick Up for Me

1

- Stand tall and shoulders back.

2

- Chin up and use your eyes.

3

- Keep calm and your arms at your side.

4

- Speak in a loud and strong voice.

5

- Keep looking into the person's eyes for three seconds.

6

- Walk away. Don't look back. Don't answer.

The P.I.G.S Highway Tool

P: USEFUL FOR NAME CALLING, PUT DOWNS & EXCLUSION. REMEMBER, YOUR SAFETY FIRST!

I: ONLY USEFUL IF THE BULLYING ISN'T DANGEROUS OR PHYSICAL.

G: NECESSARY FOR ANY PHYSICAL BULLYING OF YOURSELF OR SOMEONE ELSE.

S:USEFUL FOR NAME CALLING, PUT DOWNS & EXCLUSION. REMEMBER, YOUR SAFETY FIRST!

<p>You have been excluded from your group of friends for the last 3 lunches. They tell you, “Maybe tomorrow,” and walk away laughing.</p>	<p>You witness a child punching another child – and you know that he’s known for his temper. He’s hurt a friend of yours before.</p>
<p>You’re eating lunch with your friends, and the bullyer walks straight through the middle, standing on everyone’s lunch and lunch boxes.</p>	<p>A message comes up in a chat room about a friend of yours – making fun about her new haircut. A small number of people join in with comments.</p>
<p>As you walk into school, a group of kids look over at you and then laugh loudly. They are very quiet as you walk past them, and then laugh again.</p>	<p>You get your maths test back and you have a mark of 6/10. The girl sitting next to you says how ‘special’ you are. She also said that the last time.</p>
<p>As you’re running across the school oval, someone puts their leg out and you trip; you know it was done on purpose. Some kids laugh as you get up.</p>	<p>When you’re walking to the music room with your class, you notice that everyone is avoiding one kid – who walks by himself at the end of the line.</p>
<p>When you take your bike out of the shed at the end of school, a kid stands in your way, shoves you roughly, and you stumble and fall backwards.</p>	<p>There’s a post on social media about one of the teachers at school, “being a loser.” Lots of kids have posted rude, nasty comments</p>
<p>On a group text there’s a picture of your friend, and it looks like she’s picking her nose. 32 people have already commented.</p>	<p>A kid in your class has a surname that sounds like ‘Butt.’ He gets teased by another kid every recess and lunch time. It’s been happening all year.</p>
<p>You approach a group of friends playing hand ball and ask to play. They look at each other, laugh, and then someone says that there’s no room.</p>	<p>Whenever you get your lunch box out, a certain kid laughs about your food and makes pig grunting noises. It’s been happening all term.</p>

Select the correct P.I.G.S heading to place the statements on the previous page into.
