How did you feel about this book?

Now draw your favourite part of the book.

A large, empty rectangular box with a thin black border. The bottom right corner of the box is folded over, creating a small triangular flap, suggesting it's a piece of paper for drawing.

The Story of Jack and the Beanstalk

Jack and the beanstalk

Once upon a time there was a boy called Jack. He lived with his mother. They were very poor. All they had was a cow.

One morning, Jack's mother told Jack to take their cow to market and sell her. On the way, Jack met a man. He gave Jack some magic beans for the cow.

Jack took the beans and went back home. When Jack's mother saw the beans she was very angry. She threw the beans out of the window.

The next morning, Jack looked out of the window. There was a giant beanstalk. He went outside and started to climb the beanstalk.

He climbed up to the sky through the clouds. Jack saw a beautiful castle. He went inside.

Jack heard a voice. 'Fee, fi, fo, fum!' Jack ran into a cupboard.

An enormous giant came into the room and sat down. On the table there was a hen and a golden harp.

'Lay!' said the giant. The hen laid an egg. It was made of gold. 'Sing!' said the giant. The harp began to sing. Soon the giant was asleep.

Jack jumped out of the cupboard. He took the hen and the harp. Suddenly, the harp sang, 'Help, master!'

The giant woke up and shouted, 'Fee, fi, fo, fum!' Jack ran and started climbing down the beanstalk. The giant came down after him.

Jack shouted, 'Mother! Help!' Jack's mother took an axe and chopped down the beanstalk. The giant fell and crashed to the ground. Nobody ever saw him again.

With the golden eggs and the magic harp, Jack and his mother lived happily ever after.

GRADES 1 and 2

Learning Intentions: This week we will learn to make a pop-up card on the topic- 'Seasons'

Please watch the step-by-step video to follow the instructions.

<https://www.redtedart.com/pop-up-rainbow-card/>

Materials :

You will need:

White/blue A4 paper

Coloured markers or pencils

Scissors

Glue stick

Activity for both Grade 1 and 2

- If you don't have any dark blue paper, use white paper, and stick your coloured rainbow on it.
- Make your clouds with any colour. You can draw and colour blue clouds on white piece of paper. See if the teachers might be able to help and give you a white printing paper because you are making a card.

GRADE 1

If you want to do the above activity you can try making a card too.

If you want something easy, then you may draw and colour the rainbow and turn the hearts into clouds

Week 9 Prep, 1 & 2 Physical Education Remote Learning

Hello Prep, Grade 1 and 2 students, parents and carers,

Here are the Week 9 activities, students can access the websites using a device. Some activities require sports equipment, use something from around the house that would do the same job as the sports equipment. You need a small space to do most of these activities, if you have outdoor space then use that.

PARENTS:

If you don't have access to a digital device or internet, go for a bike ride, walk, little jog, kick to kick with siblings or adults (if weather permits).

Finish the other half of the smaller illustration before using the grid squares to help you use the enlargement transformation to copy the smaller illustration into the larger grid.

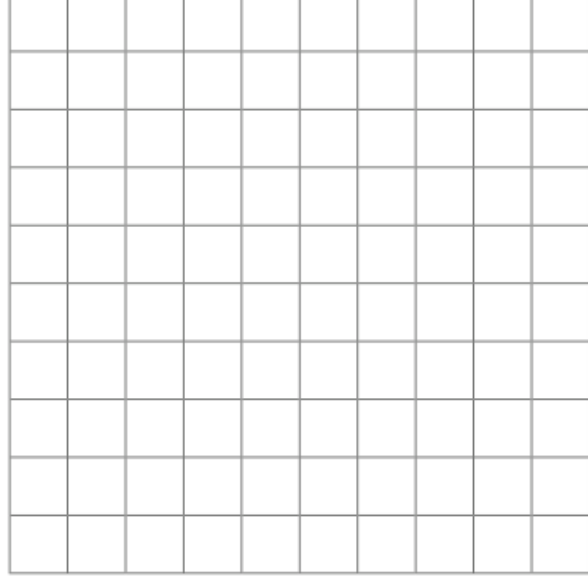

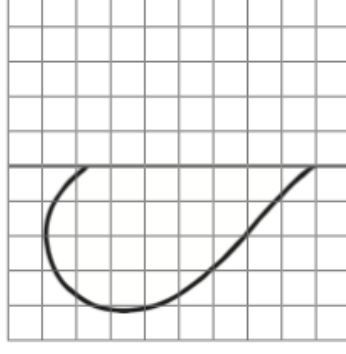

Complete the Illustration and Enlargement Transformation

I can use a grid system to enlarge an image. (ACMMMG115)

Oh no, only half of the picture is complete! Luckily, the illustration is symmetrical.
Finish the other half of the smaller illustration before using the grid squares to help you use the enlargement transformation to copy the smaller illustration into the larger grid.
