End of school year

Prayer of Thanksgiving and Blessing for the Holy Eucharist School Community

*Almighty Father,
you are lavish in bestowing all your gifts,
and we give you thanks for the favours you have given to us.
In your goodness you have favoured us
and kept us safe in the past.
We ask that you continue to protect us
and to shelter us in the shadow of your wings.*

We ask this through Christ our Lord. Amen.

This Sunday, the 12th day of December is the Third Sunday of Advent

Dear Parents/Carers,

We have come to the end of another school year, and what a year it has been! It is hard to believe how quickly the year slipped away considering all that has happened in 2021. Looking back at the year gone by, we faced many challenges and adversities. However, we were reminded many times not to give up and to live in the hope that things would improve! Here we are in December, reunited again as a school community. We celebrated our school carols and the students enjoyed a 'Fun Day' together last week. The season of Advent also reminds us to live in hope. When we pray the Lord's Prayer at Mass, we hear Father say "... as we await the blessed hope and the coming of our Saviour, Jesus Christ." This prayer reminds us that during the season of Advent, "we wait in joy, in hope, and in anticipation for the wonderful event we are about to experience—the feast of Christmas, the coming of Christ into our lives" (Williamson, 2021).

On Tuesday night the Year 6 students will celebrate their graduation. We will begin the celebration with the Liturgy of the Word followed by the Graduation Ceremony. As the Principal of Holy Eucharist School, I would like to congratulate our students and wish them the all the best as they journey towards secondary school. We have been blessed to have great leaders at our school, who led by example. The way in which our students have conducted themselves, particularly through another year of pandemic, has been a credit to the parents and staff.

At the end of this year, we will farewell nine members of staff, who will begin a new chapter in their lives. We say goodbye to Mr Wally Antonowicz who will be retiring at the end of the year after being a part of Holy Eucharist for 42 years. Wally came to Holy Eucharist School in 1979 and has taught many generations. We thank Wally for his contribution to the Holy Eucharist community and we wish him all the very best. We also say goodbye to Mrs Hania Borowik who has taught at Holy Eucharist for 19 years and will also be retiring at the end of the year. Ms Jessica Kerlin who has been part of Holy Eucharist for 3 years will be leaving us to work at Bethany Primary School in Werribee North. Ms Mikaela Borg who has worked at the school for 3 years, will be taking up a new role at St Francis De Sales in Oak Park. Ms Bianca Gomez who has worked at the school for 3 years, will moving to St James in Hoppers Crossing. Ms Shalini Dos Santos will be leaving us after 5 years and Ms Kristine Lorenc and Mrs Bison who have supported us over the past 12 months will also be leaving. Last but not least, Mrs Tania Gatt will be going on maternity leave at the end of this year to have her baby. I would like to extend my thanks to these staff members for their commitment and dedication to Catholic Education and for their hard work over the years. I would like to wish them the best of luck in their future endeavours.

Finally, I would like to wish the entire Holy Eucharist community a very Merry Christmas and a safe and happy holiday. Let's hope and pray that 2022 is good year for everyone.

Please stay safe and God Bless,

Mr. Michael Bonnici

COVID-19 CASES AT HOLY EUCHARIST

We had to send quite a number of classes home this week after receiving notification that students had tested positive to COVID-19. The school had to call parents to pick up their child to get them tested (PCR test) for COVID-19 and to quarantine until they received a NEGATIVE result. Parents were also given Rapid Antigen Test kits to administer to their child.

When a student has attended school and later tests positive, it is our responsibility to ensure that parents/carers of other students who are then considered a 'close contact', are notified. This means that the students who have been exposed will need to get tested as soon as possible and will need to quarantine.

If the student receives a NEGATIVE result whilst in quarantine, then they will be allowed to come back to school. Parents will then need to administer the Rapid Antigen Test on their child for the next 5 days.

Students who return to school after receiving a NEGATIVE result, will need to enter the school via GATE 3 next to the office. The parents/carers will also need to provide evidence that their child has received a negative result.

IS YOUR CHILD UNWELL? IF YES...PLEASE KEEP THEM AT HOME!

Staff members and students must stay at home if they are unwell or if they may have been exposed to COVID-19. If a child stays at home because they are sick, this can prevent an entire class or the rest of the school having to quarantine.

Please remember, when your child returns to onsite learning, it is vital that **they do not come to school** if they have any of the following symptoms:

- sore throat
- temperature
- tiredness
- loss of taste or smell
- tummy pains
- shortness of breath.

If the students show any of the above symptoms they will be sent home immediately.

It is important that your emergency contact details are up to date. It is also essential that your emergency contact person is available if, for any reason you are unable to pick up your child if we ring you.

The constant message is for all of us to be responsible in the actions we take. By keeping yourself safe, you are keeping your families, your colleagues and your friends safe.

IMPORTANT MESSAGE REGARDING COVID TESTS

Please be reminded that if you are currently waiting for COVID test results, your child/ren CANNOT attend onsite learning until the results come back negative. This is to prevent our school from having to close down in the event that a result returns positive.

It is also essential that you notify the school immediately if you have been informed by the Department of Health that you, or a family member is COVID-19 Positive. This allows us to ensure that school's COVID Safe plan is followed which will mean that your child will need to isolate whilst on-site. In the event that a child needs to isolate, please be reassured that we will do so in a caring, supportive and respectful manner, prior to the child being collected and taken home.

HOLY EUCHARIST SCHOOL IN 2021 AND 2022

The last day for Term 4, 2021 will be on Thursday 16th December 2021, at 2pm. School will resume for Term 1 in 2022 (for students), on Monday 31st January 2022. At this stage, in 2022, students in Prep, Grade 1 and Grade 2 will finish school at 3:10pm and students in Grades 3, 4, 5 and 6 will finish school at 3:15pm. All students will still be required to enter and leave the school via the designated gates. Please see below:

- 8:30am Gates open
- 8:45am Students enter the classroom
- 8:55am Classes begin
- 3:10pm School finishes for Prep, 1 and 2 and 3:15pm for Grades 3, 4, 5 and 6

Students from each grade level will still need to enter via the designated gates around the school when entering/leaving the premises. The gates for each level are as follows:

- Gate 1 (Next to the hall) – Grade Prep and Grade 3
- Gate 2 (Next to the church) – Grade 1 and Grade 4
- Gate 3 (Admin gate) – Grades 6
- Gate 4 (O'Brien Drive) - Grade 2 and Grade 5

ORIENTATION DAY

I am happy to report that Orientation Day was a huge success. As I walked around to each class in the school, it was lovely to hear children and teachers getting to know each other.

A lot of preparation goes into Orientation Day. The teachers collect a significant amount of data to inform their decisions and consider each student's wellbeing when preparing class lists.

I am confident that your child will benefit from the hard work staff have put in to ensure that the needs of all students are catered for. These class lists for 2022 have been finalised.

ASSESSMENT AND REPORTING - SEMESTER 2

The Semester 2 report will look a little different to Semester 1. The disruption in Semester 2 has meant that there may have been less curriculum content covered than was initially planned. Despite all of this, the teachers have used a broad evidence-base to make their own balanced assessments of your child's progress. Such evidence includes student-led conversations and teacher observations, Semester 2 assessments, notes and work samples.

Our Semester 2 reports will be in line with government requirements and will provide parents/carers with:

- a description of the areas of the Victorian Curriculum Foundation to Level 10, including Towards Foundation Levels A to D, taught;
- for Religious Education and Inquiry:
 - student achievement information represented on a continuum of learning;
 - progress made since the last time the curriculum areas were reported on;
- for English/EAL and Mathematics:
 - student achievement information represented on a continuum of learning;
 - progress made since the last time these curriculum areas were reported on;
 - a five-point scale.
- for Specialist Subjects, i.e. LOTE, Music, PE and Visual Arts
 - student achievement information represented on a continuum of learning;
 - progress made since the last time these curriculum areas were reported on;
 - a five-point scale for participation.

The reports will be going home on Friday 10th December together with the Assessment Envelope which will contain the samples from the Assessment Portfolio.

GRADUATION

Unfortunately, we had to postpone the Grade 6 Graduation this week due to the recent COVID outbreaks. We will now be having the Graduation Ceremony on **Tuesday 14th December 2021**. The Graduation will take place at 6pm in the Church and will be led by Fr Vincent and the Grade 6 Leaders.

It's a wonderful opportunity to celebrate the students' wonderful achievements. Due to the current restrictions, only parents/guardians of the Year 6 students (who are fully vaccinated) can attend the ceremony in the church.

SCHOOL HATS IN TERM 4

There are still quite a number of students at our school who do not have a school hat. In Australia we have "one of the highest rates of melanoma diagnoses in the world...two in three Australians will be diagnosed with skin cancer by the age of 70" (SunSmart, 2019). The good news is that almost all skin cancers are preventable. It is recommended that staff and students use a combination of sun protection measures (i.e. sun hat, sunscreen, clothing, shade and sunglasses when outdoors, avoid deliberate and extended sun exposure) when UV index levels are 3 or above (generally from mid-August to the end of April in Victoria). In Term 1 and Term 4 all students and teachers are required to wear a hat when they are outside. It is an expectation and school policy that all students wear their school hat and their correct school uniform at all times.

VENTILATION IN SCHOOLS

Schools are required to increase fresh air flow into indoor spaces (including shared spaces, staff areas and thoroughfares) whenever possible and to maximise the use of outdoor learning areas or environments.

This week we received 24 Samsung Air Purification Devices. The devices will remove potentially infectious particles – like coronavirus – from higher risk areas in schools including high-traffic areas. Increased ventilation through the use of open windows and doors will also be used to improve air quality.

SCHOOL CAROLS

Last week we had our school carols. It was unfortunate that we couldn't have the rest of the school community in the audience. Thankfully we were able to live stream the event and can still be viewed by clicking on the links below. The students did an amazing job. A big thank you to all the staff and to Mr O'Bree for all their hard work.

SCHOOL FUN DAY

Last Friday we had a 'Fun Day' at school. The students participated in various circus activities and got to see a variety show which included a magician. The students were also provided with a sausage sizzle for lunch. We had 1100 sausages and ___ loaves of bread! A great day was had by all.

AUSSIE FARM ANIMALS

Last Tuesday we privileged to have the 'Aussie Farm Animals' visit the school. The students enjoyed being up close with the baby animals. The animals were in the yard and enclosed by a fence.

LEARNING AND TEACHING

LEARNING AND TEACHING NEWS

Wow! What a term! What a year! Nonetheless, Holy Eucharist has been a vibrant environment with lots going on that unfortunately you have not had the opportunity to see or participate in. We hope that next year will allow us to make up for this.

You already know my favourite catch line... 'What's happening at Holy Eucharist?'

The students have participated in a number of exciting events over the last few weeks, from excursions, to incursions, to a fun day, expos to showcase their learning, debates, just to name a few. It has been wonderful to see the students excited to participate in all these events and then to hear the new learning that they have taken away. The smiles on their faces make it totally worth it. So, when your child answers the question you ask each day when you pick them up from school, "What did you do today?" press them for more information if they answer with, "Nothing." If you have been following my posts on Class Dojo, when and where I can I have added pictures with a brief description to let you, our community, know what we have been up to during the day.

LITERACY NEWS

As you are aware, we have stopped borrowing from the library and Take Home Readers. We need to sort these out so that they are ready for your child/children to enjoy borrowing again. Please take some time to look around your home and send back any school books.

Just because students cannot borrow from school does not mean that children should stop reading. In fact this is the best time to get stuck into books. Children should be reading not just to learn but also for their own enjoyment which ultimately contributes to their learning anyway.

The Prep, Year 1 and some Year 2 students have access to the Cengage Digital Reading Platform with lots of PM readers available online for students to choose from and read at their level and pace. Please ensure that if children are using this that they are not only just opening the book that they are reading it. As the administrator I can see how much time students spend reading. We also have Collins Big Cat available for all students to use. As well as Sunshine Online and Engage Online. Some year levels also set students up on Epic.

Holy Eucharist school has one generic login for all years to make it as easy as possible. Once the school's name has been typed in, the next page requires you to enter the first letter of the last name - **enter A**, for date of birth - **enter 1**, for month - **select January**, and year group - **enter 1**. Next, select the Big Cat icon to see all the books that are available. Then enjoy reading :-)

Engage Online

Please visit www.mycapstonelibrary.com

Our login details are - Student Username: Holyeucharist3021 Student Password: pupil

Don't forget the local library! We don't want students staring at a screen all the time. So, if you can take your child/children to your local library to not only borrow books but to enjoy the great activities that they offer for children to participate in during the holidays.

Wishing you a very peaceful and holy Christmas with your family and friends. I look forward to seeing you all next year. Good luck to all our students moving on from Holy Eucharist. Remember to keep giving your best to everything that you do in life.

INSTALLATION OF ROAD HUMPS ON CHEDGEY DRIVE

Recently I had contacted Brimbank Council and Natalie Sulleyman MP, requesting for road humps to be installed on Chedgey Drive. Many cars are speeding along Chedgey Drive during the day whilst our children are at school. Many cars have driven into trees and street signs along the nature strip due to the speed in which they are travelling. Houses in the surrounding area will have received the following letter from the council about this. I ask for your support by contacting the council in regard to this request.

RE: Chedgey Drive, St Albans – Consideration to install Road Humps. *Your feedback is important - Please email Brimbank Council*

Concerns have been raised with Council regarding speeding traffic and road safety issues along Chedgey Drive, between Chestnut Drive and Mulhall Drive, abutting Holy Eucharist Primary School, St Albans.

To improve road safety and reduce vehicle speeds, Council is considering the installation of road humps along this section of Chedgey Drive. The proposed road humps will help reduce traffic speeds along this section of Chedgey Drive and will improve the overall safety of motorists and particularly school children.

The proposal may result in a road hump to be constructed in front of any property and it should be noted that road humps may require the existing lighting to be upgraded or the installation of new street lights to supplement the road humps (Please contact Michael at the school office if you wish to see the Council plan showing where the proposed road humps are to be considered).

If the proposal to install road humps is supported by a clear majority of residents, a business case will be developed detailing the proposal and submitted to Council's Capital Works Panel for funding consideration in future works programs. This does not guarantee funding, as this project will be assessed yearly on its priority compared with similar proposals across Brimbank. The installation of the road humps cannot proceed until such time as the funding is approved and included in the budget.

The council invites your comments on this proposal. Please email info@brimbank.vic.gov.au

SUNSHINE LIONS CLUB – CHRISTMAS CAKES

Sunshine Lions has been supporting the Sunshine community for over 50 years. Each year, Sunshine Lions have donated \$100 to schools in the Sunshine, Albion, Ardeer and St Albans. Thanks to the Lions Club we have been able to award a deserving graduating student at the end of each year.

Once again, we will be assisting the club by taking orders for the Lions Club's Christmas Cakes. Delivery of cakes would be in the mid part of December.

Lion's Christmas Cakes include a 1kg Cake priced at \$13 and 1.5kg Cake at \$17.

Please support this worthy cause. **Please contact the office to place your order.**

CAMP AUSTRALIA

Thanks for a great year at OSHC!

Schools Out!

As we approach the end of 2021, I think we can all agree, that it's been another year for the record books! Taking some time to reflect on 2021 we have collectively experienced a huge amount and we hope that over the festive period you can all take some time to relax and recharge. On behalf of everyone at Camp Australia we would like to thank you for your continued support.

Wish you a great Christmas and a prosperous 2022. Looking forward to see all the happy faces again in 2022.
