Ash Wednesday is on the 2nd March.

Lent begins on Ash Wednesday. From Ash Wednesday, Ordinary Time is interrupted until after Easter Time. The theme for Lent is Reconciliation. Ash Wednesday and Good Friday are days of fast and abstinence. The law of fasting binds those who have completed their eighteenth year, until the beginning of their sixtieth year. Lent is a penitential season of prayer, self-denial and helping others. In this way, the whole Church prepares for Easter with those who are to be baptised. Catholics are obliged to receive holy communion at least once per year, in Australian and New Zealand between Ash Wednesday and Trinity Sunday. In Lent, the Alleluia is omitted from Mass.

Praise to you, Lord Jesus Christ, king of endless glory!

If today you hear this voice, hard not your hearts.

Praise to you, Lord Jesus Christ, king of endless glory. (Cf Ps 94:8)

Gospel: Mt 6:1-6, 16-18: Your Father, who sees all that is done in secret, will reward you.

Principal's Message:

Dear Families and Friends,

More than a week ago, Fr Vincent celebrated the 2022 Opening School Mass on the oval. Mrs Shaw prepared the celebration and Mr O'Bree sang for us. Our Student Leaders led us in prayer and helped throughout the liturgy. During the celebration we prayed for each other so that God would help us throughout the year. We also welcomed and prayed for our school community and for our new students and staff. I would like to congratulate everyone for their participation during the liturgy; it was a lovely celebration. After the liturgy we had school assembly and a number of students from various grades received a Principal's Award.

Last Tuesday, all families received information regarding our annual Parent/Teacher Chats. This will be held on Wednesday 9th March 2022, from 12:10pm until 7:00pm. Please note that students will be finishing school at 12pm on this day. Unfortunately, this year we cannot have our Parent/Teacher Chats face-to-face due to the risk involved surrounding COVID-19. The Parent/Teacher Chats will be conducted via Zoom or via the telephone. I realise that this, as well as other practices that we have introduced at the school are not ideal, but they are there to keep everyone safe and I seek your full cooperation.

As mentioned in our previous newsletter, Holy Eucharist Parish will be celebrating its 50th Anniversary! Most Reverend Peter Comensoli, Archbishop of Melbourne, will be celebrating Mass on Sunday 20th March 2022, at 10:30am. We hope to see you there!

God Bless,

Mr. Michael Bonnici

PARENT/TEACHER CHATS.

This year, Holy Eucharist School will be hosting our annual Parent/Teacher Chats on **Wednesday 9th March 2022** from 12:10pm until 7:00pm. Please note that **students will be finishing school at 12pm on this day.** Unfortunately, this year we cannot have our Parent/Teacher Chats face-to-face due to the risk involved surrounding COVID-19. The Parent/Teacher Chats will be conducted via Zoom or via the telephone.

Parent-Teacher Chats

Parent/Teacher Chats are a great opportunity to communicate with your child's teacher and to hear about how your child has settled into their new class. However, they are also a great way to discuss any concerns or questions you may have regarding your child. It is important that you take the time to think about the things you would like to discuss with your child's teacher, to ensure you make the most of your allocated time.

The Parent /Teacher Chats will be approximately **10 minutes in length** – just enough time for you and your child's teacher to meet and/or communicate. During this meeting, your child's teacher will be asking questions which will provide them with important information. The information gathered will assist the class teachers when planning lessons teaching your child. *eg: your child's birthplace, date of arrival in Australia, first language/s spoken, etc.*

We ask that parents select their preferred time as soon as possible and to return their slips to their child's teacher without delay. If parents have more than one child at Holy Eucharist School, they are asked to add them to the same list as well.

DESIGNATED GATES:

Students from each year level will still need to use the designated gates around the school when entering/leaving the premises. **The students in Years 3-6 must wear a face mask and will need to sanitise their hands when entering the gates in the morning.**

The gates for each level are as follows:

- Gate 1 (Next to the hall) – Grade Prep and Grade 3
- Gate 2 (Next to the church) – Grade 1 and Grade 4
- Gate 3 (Admin gate) – Grades 6
- Gate 4 (O'Brien Drive) - Grade 2 and Grade 5

Please note that all classroom teachers will be in their rooms in the morning at 8:45am. The classroom teacher will take the students to the gate at home time and will wait for students to be picked up. If you have more than one child at school, you can drop off and pick up your children from a preferred gate, so long as you have one child who belongs to the year level specified at the gate. Please note that the same gate must be used at pick up time.

NB: At this stage, parents/carers are not permitted to enter the school grounds.

RAPID ANTIGEN TESTS

On Tuesday, the Victorian Government announced that existing COVIDSafe measures in schools and early childhood settings would continue until the end of Term 1. Rapid antigen surveillance testing will continue until the end of Term 1. The school is expecting that the delivery of rapid antigen tests (RATs) for Weeks 5 and 6 will be delivered to the school in the coming days.

It is recommended that students and staff administer the Rapid Antigen Tests at home twice a week (i.e. on Monday and Wednesday). Any positive test results need to be reported to the school. You do not need to inform the school of negative test results, only inform the school if your child receives a positive test result.

If staff or students receive a positive test result at any time, they must also report this through the Department of Health system on the website or via the Coronavirus hotline at 1800 675 398.

Parents/carers must also report a positive result to the school by phone or by written notification so the school can provide support and to record that the student will be absent (whilst in isolation) for 7-days. The school will then need to notify the rest of the school community that there has been a positive case onsite and that they should monitor for symptoms.

Please note, that all staff and students must report a positive result to their school on the day they received a positive test result.

All students and staff who return a positive result from a rapid antigen test should also follow the latest advice at <https://www.coronavirus.vic.gov.au/rapid-antigen-tests>.

Information about how to do a test, including a how-to video translated into 33 languages, is available at <https://www.coronavirus.vic.gov.au/rapid-antigen-testing-schools>.

FACEMASKS

So far, we have been exceptionally fortunate to have so few COVID-19 cases at our school. Facemasks are an effective way of preventing the spread of the Coronavirus and it is one strategy that we strongly endorse. All adults and staff are required to wear a mask unless a medical exemption applies. Students in Year 3 to Year 6 are required to wear face masks when indoors on school premises (including Before/After School Care), unless an exemption applies, exemptions must be in writing. It is also highly recommended students in Prep to Year 2 wear facemasks when at school or when attending Before/After School Care. We strongly encourage students to bring a facemask from home.

IS YOUR CHILD UNWELL? IF YES...PLEASE KEEP THEM AT HOME!

Staff members and students must stay at home if they are unwell or if they may have been exposed to COVID-19. If a child stays at home because they are sick, this can prevent an entire class or the rest of the school having to quarantine.

Please remember, when your child returns to onsite learning, it is vital that **they do not come to school** if they have any of the following symptoms:

- sore throat
- temperature
- tiredness
- loss of taste or smell
- tummy pains
- shortness of breath.

If the students show any of the above symptoms they will be sent home immediately.

It is important that your emergency contact details are up to date. It is also essential that your emergency contact person is available if, for any reason you are unable to pick up your child if we ring you.

The constant message is for all of us to be responsible in the actions we take. By keeping yourself safe, you are keeping your families, your colleagues and your friends safe.

STUDENT VACCINATIONS

COVID-19 vaccines are available to everyone aged 5 years and over in Australia.

The type of vaccine young people can have depends on their age and, in some cases, whether they have certain medical conditions. Some children are already eligible for vaccination, while others will turn 5 during the year. Families should book their children in for vaccination as soon as possible after their fifth birthday.

All parents and guardians should aim to have their children aged 5 years and over vaccinated with one dose of a COVID-19 vaccine by the start of Term 1.

Vaccines for 5 to 11 year olds

Children aged 5 to 11 can receive the Pfizer COVID-19 vaccine. They will receive a smaller dose of vaccine created specifically for their age group.

By vaccinating your children, you can:

- reduce the spread of COVID-19
- protect them from getting sick from COVID-19
- keep schools open, so children can have more face-to-face learning and playtime with their friends.

The recommended schedule for vaccination in this age group is 2 doses, 8 weeks apart. Children in this group are **considered up to date** with their vaccination after they have had their two-dose primary course of vaccination.

The interval can be shortened to a minimum of 3 weeks in special circumstances. For example:

- for those living with significant disability requiring frequent assistance with activities of daily living, including but not limited to down syndrome, muscular dystrophy, severe intellectual disability, traumatic brain and spinal cord injury, or
- before the start of significant immunosuppression, or
- before international travel.

Bookings are available at Victorian GPs and pharmacies and at state vaccination centres (visit <https://www.coronavirus.vic.gov.au/vaccination-centres>).

Many vaccination centres now offer walk-ins for anyone aged 5 and older. Children aged 5 to 11 years old must be accompanied by a parent/guardian who can provide consent for the vaccination.

To find out which centres offer walk-ins, visit [Vaccination centres](#).

SCHOOL NURSE PROGRAM – PREP 2022

All Prep children received an envelope from the Primary School Nursing Program – State Government. This envelope contains a questionnaire about your child's health and development. This questionnaire is distributed to all Victorian children enrolled in their first year of school.

The questionnaire enables you to raise any concerns you may have regarding your child's health and development. Parents are asked to complete the questionnaire, sign it and return it back to the teacher, sealed in the envelope. **These are now overdue – Please return without delay! The school nurse will be visiting the school late February/ early March.**

SCHOOL PHOTOS

School Photos will be taken on **Monday 7th March 2021**. All students need to wear their **full Summer Uniform and black school shoes**. In the coming weeks, each student will be given individual order forms. If you would like to order photos, you will need to fill in the order form, pay the correct amount and return it to your class teacher on **photo day**. Alternatively, you can order photos online up to 2 days after photo day. **Please note that cash orders will not be accepted.**

SCHOOL HATS IN TERM 4

In Australia we have "one of the highest rates of melanoma diagnoses in the world...two in three Australians will be diagnosed with skin cancer by the age of 70" (SunSmart, 2019). The good news is that almost all skin cancers are preventable. It is recommended that staff and students use a combination of sun protection measures (i.e. sun hat, sunscreen, clothing, shade and sunglasses when outdoors, avoid deliberate and extended sun exposure) when UV index levels are 3 or above (generally from mid-August to the end of April in Victoria). In Term 1 and Term 4 all students and teachers are required to wear a hat when they are outside. It is an expectation and school policy that all students wear their school hat and their correct school uniform at all times.

SCHOOL ADVISORY COUNCIL

The School Advisory Council will be meeting this coming Tuesday (1st March) at 7pm via Zoom.

NAPLAN 2022

NAPLAN is a nationwide measure through which parents, teachers, schools, education authorities, governments and the broader community can determine whether or not young Australians are developing the literacy and numeracy skills that provide the critical foundation for other learning and for their productive and rewarding participation in the community.

NAPLAN results allow parents/carers and educators to see how students are progressing in literacy and numeracy over time – individually, as part of their school community, and against national standards.

The tests provide an important contribution to monitoring and evaluating the performance of schools and school systems in these fundamental capabilities. They also provide schools, states and territories with information about how education approaches are working, the areas to be prioritised for improvement, and those schools requiring support in the teaching and learning of literacy and numeracy. The results can assist teachers by providing additional information to support their professional judgement about students' levels of literacy and numeracy attainment and progress.

NAPLAN tests are one aspect of each school's assessment and reporting process and do not replace the extensive, ongoing assessments made by teachers about each student's performance. Each teacher will have the best insight into their students' educational progress. Parents/carers can use NAPLAN reports, along with other school assessment reports, to discuss their child's strengths and areas for improvement with their teacher. NAPLAN results do not measure overall school quality.

The assessments are undertaken nationwide, every year, in the second full week in May.

NAPLAN is made up of tests in the four areas (or 'domains') of:

- Reading
- Writing
- Language conventions (spelling, grammar and punctuation)
- Numeracy.

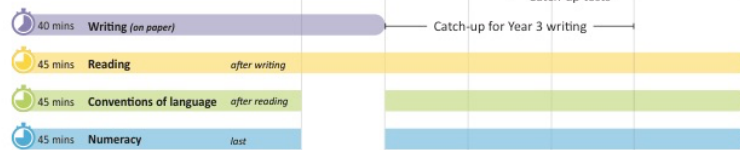

NAPLAN test window

The NAPLAN online test window is 9 days.

May 2022

Primary

Year 3 order and duration

Year 5 order and duration

- Year 3 writing is done on paper by all students and must be scheduled for day 1. It is recommended Year 3 writing tests be completed by all classes at the same time in the morning.
- Year 5 writing must be scheduled on day 1, with day 2 only used where there are technical/logistical limitations.
- Tests must be scheduled as soon as possible within the test window, prioritising scheduling in week one over week two and the morning over the afternoon.
- For advice on scheduling, including catch-up tests or rescheduling, schools should refer to the NAPLAN national protocols for test administration, and consult their state/territory test administration authority as required.

NEW BUILDING

Last year, the building committee and I we met with MINX architects to finalise our plans for our new building. Our new building will be two-storey and will be attached to the MacKillop Learning Centre (MLC). The building will include 8 new classrooms and a learning deck on the first floor. However, the inclusion of the learning deck will depend on the cost of the overall building. This week the plans were submitted to Brimbank council for approval. The estimated cost for the new classrooms will be around \$4.1M. We were successful in obtaining \$2M from the Schools Capital Grant. This money, together with a contribution from our school (as well as the loan), will be put towards a new building. If the plans are approved the build should commence in the middle of this year.

Take Home Readers

At Holy Eucharist reading at home is an integral part of the school's reading program.

Research shows the importance of reading on a daily basis to develop children's use and understanding of vocabulary. At Holy Eucharist the expectation is that students read each night as part of their homework and record either on the sheet provided in their Reader Bag or in their diary.

So, our students will have the opportunity to begin borrowing *take home books/readers* from the school's 'Take Home Collection'. The purpose of *take home readers* is to provide students with books at their level of reading. Students have a 'Reader Bag' and this should be returned to school each day. Students are asked to take care of the books so that they are not damaged. In addition, they are reminded that it is their responsibility to ensure that each book borrowed is returned before borrowing any further books. Parents please remind your child/children of the privilege associated with borrowing books and the necessity to return.

Tips for reading take home readers include:

Participating in reading - Your child does not have to always be the reader to participate in reading.

Reading activities suggestions - Reading with your child, either taking turns or together. Reading to your child. Or, the reading could be done by the child, where the child reads independently, aloud or silently.

Also please note, there is great value in a child reading the same book on a number of occasions- it may be a favourite book or a book the child can read independently.

Library News

Our library is up and running. Books have been organised onto shelves, barcodes have been allocated to all students and a timetable created to allow all classes access to the library.

Most classes, if not all, have been lucky enough to get in there over the last couple of weeks and begin borrowing. It has been great to hear the buzz and see students' enthusiasm.

I am certain that they don't need reminding about the privilege of borrowing and the responsibility that goes with this. Parents please remind your child/children to enjoy reading the borrowed book at home and that it is their responsibility to look after and return it each week on the allocated day for library borrowing so that they can choose another book or maybe reborrow if the book hasn't been finished.

Any questions regarding the library please contact your child's teacher, Mrs Bistricki, Mrs Rita or myself.

If you have any questions or require further clarification please do not hesitate to contact me, either by calling the school and leaving a message and I will call back as soon as I can. Alternatively, email me berndette.parnis@hestalbanssth.catholic.edu.au and I will reply as soon as I can.

St Albans/Sydenham Western Plains Deanery

Position Vacant — Parish Administration Coordinator

We have an exciting new opportunity for an experienced Administration Assistant to undertake office administrative functions at Sacred Heart-Emmaus Parish, St Albans-Sydenham in a part time role reporting to the Parish Priest. The role of the Parish Administration Coordinator will be to build solid relationships and work collaboratively to provide support to the Parish Team and parish volunteers.

The successful applicant must be well motivated to work for the Church and ideally possess a strong commitment to its practices and values. He/she must be able to recognise and respect the pastoral aspect of the Parish and an understanding of liturgy/sacraments would be highly advantageous.

This permanent part-time position is based at the Parish Office in St Albans. The role is 24 hours per week Monday to Friday, with some flexibility regarding hours required to be worked. Terms and conditions are governed by the Archdiocese of Melbourne.

Key Requirements

- Good communication skills with ability to relate to a variety of people
- Team orientation, including ability to work harmoniously with staff and volunteers
- Strong PC skills, in particular Microsoft Office suite of products and familiarity with the Archdiocese IT platforms would be an advantage, however, training can be provided.
- Initiative and a capacity to work with a minimum of supervision
- Maintain records in a confidentiality, tidy and readily accessible manner.
- Maintain a high level of integrity, confidentiality, and discretion.
- Experience in providing a range of secretarial and office management services
- Ability to work to timeframes with attention to detail and priorities while handling regular interruptions

Key Responsibilities

- Provide high level confidential administrative and secretarial support including the management of the Parish diary and Office calendar.
- Attend to all relevant correspondence and communications in a timely and effective manner and to ensure a smooth flow of communication to and from the Office.
- Establish and maintain an efficient and effective record keeping system for the Office and the Parish and maintain appropriate records in digital format to ensure easy access to reports and documents, including maintaining Parish database and Registers (Baptism, Deaths, Weddings etc).
- Provide a courteous and efficient reception function for the Office, including management of office supplies, goods, and services
- Prepare letters and other documents as required.
- Assist the Parish Priest in managing his workflow to ensure he is able to fulfil all his commitments.
- Assist the Parish Priest and Parish team with various Administration duties

Additional Information

Applications are to be sent to recruitment@cam.org.au by 4th of March 2021. Please submit a cover letter along with a current resume. For further information, contact Suzette Diaz, HR Officer on (03) 9926 5615.

The Catholic Archdiocese of Melbourne is committed to the safety, wellbeing and dignity of all children and vulnerable adults. It is a requirement across our organisation that all clergy, employees and volunteers have a valid working with children check...
