**Reflection:**

**The Second Sunday of Lent (14<sup>th</sup> March)**

A reading from the letter of St Paul to the Philippians

*Pray . Fast . Give*

(Phil 3:20 - 4:1)

Christ will transfigure these bodies of ours into copies of his glorious body.

For us, our homeland is in heaven, and from heaven comes the saviour we are waiting for, the Lord Jesus Christ, and he will transfigure these wretched bodies of ours into copies of his glorious body. He will do that by the same power with which he can subdue the whole universe.

So then, my brothers and dear friends, do not give way but remain faithful in the Lord. I miss you very much, dear friends; you are my joy and my crown.

**The Gospel of the Lord.**

Praise to you Lord Jesus Christ.

**Principal's Message:**

Dear Families and Friends,

A big thank you to all the parents/carers who kept their Parent/Teacher Chat appointment on Wednesday. It was unfortunate that we could not have our Parent/Teacher Chats face-to-face, however, this provided an opportunity for you and the teacher to get to know each other and for you to discuss valuable information about your child. Teachers then use this important information to tailor and differentiate their lessons according to individual needs of the student. These conversations also help build better relationships, which in turn assists in improving students' learning outcomes.

I would also like to thank the parents/carers and staff for their (remote) attendance at the Reconciliation Family Preparation Evening. Parental involvement is an important part in your child's faith development. This year we were very fortunate to have Pauline Cicutto (Learning Consultant at MACs) as our guest speaker. The Grade 3 students received their Sacrament of Reconciliation yesterday morning. We ask that the school community to pray for these children that they will understand that God loves them, no matter what, even when the wrong choices are made.

Last Saturday morning, some of our students were Baptised in the Church and were welcomed in the community. I would like to congratulate:

- **Sophie Le (2 D/C)**
- **Julia Nguyen (3 JH)**
- **Jacky Ye (3 F/S)**

Thank you to Fr Vincent, Fr Lovin, Mrs Shaw and the staff for preparing our students to receive the Sacraments.

I am pleased to announce that Mrs Stephani Ognenovski gave birth to a baby boy last Sunday. His name is Marcus. Mum, Aleks (dad), daughter Olivia and baby Marcus are doing well. On behalf of everyone at Holy Eucharist I would like to congratulate Stephani and her family and wish them all the very best.

I hope you all have a restful weekend.

God Bless.

**NO SCHOOL ON  
MONDAY 14<sup>th</sup> MARCH.  
LABOUR DAY PUBLIC HOLIDAY**

### **HOLY EUCHARIST PARISH CELEBRATES 50 YEARS!**

Holy Eucharist Parish is celebrating 50 years! In 1971, Fr Anthony Guelen was appointed to build a new church and school in the Western suburbs, of the Archdiocese of Melbourne. Holy Eucharist Catholic Primary School, St Albans South was later established in 1975. The sisters of Mercy taught at the school and Sr Leonie Glennen was then appointed principal of Holy Eucharist School. Please join us on Sunday 20<sup>th</sup> March to celebrate this wonderful milestone. Mass will be celebrated by The Most Reverend Peter A Comensoli, Archbishop of Melbourne at 10.30am, followed by food and entertainment outdoors. All welcome.

Holy Eucharist Church-Hall 1972

### **STUDENTS ARRIVING LATE EACH DAY**

We have a number of students who are coming to school very late in the morning. **If students arrive after 9:15am, they will need to obtain a late pass from the school office.** Each time a student is issued with a late pass, **it is recorded on the roll**, which then **appears on the student's report card** each semester.

Please remember that the whole school has a literacy block in the morning where students participate in intensive reading and writing activities. Students who are arriving late are missing out on instructions for given tasks and as a result, teachers are finding that they have to go through instructions again which in turn, is taking them away from teaching the rest of the class.

We have also come to realise that many of our students are going to bed very late at night. As a result, they struggle to get out of bed in the morning and come to school feeling tired. Please remember, if your child is tired then they will find it difficult to learn!

### **MEDICAL SURVEY:**

A few weeks ago, the students were given a Medical Survey. Parents/carers were asked to complete this survey to enable us to provide you with relevant medical forms for your child (if applicable). Please note that **medication can only be administered by office staff once the appropriate forms have been completed by a medical practitioner and are returned to school.**

**Medical surveys need to be returned without further delay.**

### **RAPID ANTIGEN TESTS**

It is recommended that students and staff use the Rapid Antigen Tests at home twice a week (i.e. on Monday and Wednesday). Any positive test results need to be reported to the school. You do not need to inform the school of negative test results, only inform the school if your child receives a positive test result. **Please remember, to collect your child's third Rapid Antigen Test kit immediately from the office if you have not done so already.**

If staff or students receive a positive test result at any time, they must also report this through the Department of Health system on the website or via the Coronavirus hotline at 1800 675 398.

Parents/carers must also report a positive result to the school by phone or by written notification so the school can provide support and to record that the student will be absent (whilst in isolation) for 7-days. The school will then need to notify the rest of the school community that there has been a positive case onsite and that they should monitor for symptoms.

Please note, that all staff and students must report a positive result to their school on the day they received a positive test result.

All students and staff who return a positive result from a rapid antigen test should also follow the latest advice at <https://www.coronavirus.vic.gov.au/rapid-antigen-tests>.

Information about how to do a test, including a how-to video translated into 33 languages, is available at <https://www.coronavirus.vic.gov.au/rapid-antigen-testing-schools>.

### **FACEMASKS**

We have been exceptionally fortunate to have so few COVID-19 cases at our school. Facemasks are an effective way of preventing the spread of the Coronavirus and it is one strategy that we strongly endorse. All adults and staff are required to wear a mask unless a medical exemption applies. Students in Year 3 to Year 6 are required to wear face masks when indoors on school premises (including Before/After School Care), unless an exemption applies, exemptions must be in writing. It is also highly recommended students in Prep to Year 2 wear facemasks when at school or when attending Before/After School Care. We strongly encourage students to bring a facemask from home.

### **IS YOUR CHILD UNWELL? IF YES...PLEASE KEEP THEM AT HOME!**

**Staff members and students must stay at home if they are unwell or if they may have been exposed to COVID-19. If a child stays at home because they are sick, this can prevent an entire class or the rest of the school having to quarantine.**

**Please remember**, that your child should **not come to school** if they have a sore throat, a temperature, if they feel fatigued (tiredness), if they have a loss of taste or smell, tummy pains or shortness of breath. If the students show any of these symptoms whilst at school, they will be sent home immediately.

**It is important that your emergency contact details are up to date. It is also essential that your emergency contact person is available if, for any reason you are unable to pick up your child if we ring you.**

The constant message is for all of us to be responsible in the actions we take. By keeping yourself safe, you are keeping your families, your colleagues and your friends safe.

### **CAMPS AND EXCURSIONS: - COVIDSAFE MEASURES**

With the easing of restrictions, students will soon be able to go on excursions and camps. However, there are a number of COVIDsafe measures that we have put in place to ensure all attendees are safe and so that our excursions and camp programs can resume. Some of these are outlined below:

#### **EXCURSIONS AND CAMPS**

- In planning for all non-classroom based activities and extra- curricular activities, including camps, excursions, other out-of-school activities, incursions and learning activities such as sport (including swimming), music and the arts, schools must conduct a risk assessment.
- Staff will also need to complete and submit the 'COVIDsafe Plan' to the Principal prior to the activity.
- Students in Grades 3-6 will need to wear a facemask whilst travelling on the bus.

## CAMPS AND EXCURSIONS: - COVIDSAFE MEASURES (Cont'd)

### CAMPS

- Prior to departure, student will need to have a Rapid Antigen Test and must **produce evidence of a NEGATIVE result.**
- Parents/Carers will need to **give consent for a staff member from the school to administer a Rapid Antigen Test on their child**, should they present with any FLU like symptoms whilst on camp (eg: runny nose, cough, sore throat etc.)
- If a child presents with any of the above symptoms, **the child will be required to isolated immediately. The parent/carer will be contacted to pick up their child from the campsite as soon as practicable.**

### GRADE 5 CAMP

The Grade 5s will be attending **Gundawindi Camp on Monday 21<sup>st</sup> March until Wednesday 23<sup>rd</sup> March 2022.** The campsite is less than 50kms from Melbourne and is situated on the border of Wandin North and Silvan, Victoria. Gundawindi has the most spectacular views of the surrounding mountains and bushland where the students can connect with nature and have a true 'bush' experience. Permission forms were forwarded onto the students this week and will need to be completed and returned without delay.

### STUDENT VACCINATIONS

COVID-19 vaccines are available to everyone aged 5 years and over in Australia.

The type of vaccine young people can have depends on their age and, in some cases, whether they have certain medical conditions.

Some children are already eligible for vaccination, while others will turn 5 during the year. Families should book their children in for vaccination as soon as possible after their fifth birthday.

All parents and guardians should aim to have their children aged 5 years and over vaccinated with one dose of a COVID-19 vaccine by the start of Term 1.

#### Vaccines for 5 to 11 year olds

Children aged 5 to 11 can receive the Pfizer COVID-19 vaccine. They will receive a smaller dose of vaccine created specifically for their age group.

By vaccinating your children, you can:

- reduce the spread of COVID-19
- protect them from getting sick from COVID-19
- keep schools open, so children can have more face-to-face learning and playtime with their friends.

The recommended schedule for vaccination in this age group is 2 doses, 8 weeks apart. Children in this group are **considered up to date** with their vaccination after they have had their two-dose primary course of vaccination.

The interval can be shortened to a minimum of 3 weeks in special circumstances. For example:

- for those living with significant disability requiring frequent assistance with activities of daily living, including but not limited to down syndrome, muscular dystrophy, severe intellectual disability, traumatic brain and spinal cord injury, or
- before the start of significant immunosuppression, or
- before international travel.

Bookings are available at Victorian GPs and pharmacies and at state vaccination centres (visit <https://www.coronavirus.vic.gov.au/vaccination-centres>). Many vaccination centres now offer walk-ins for anyone aged 5 and older. Children aged 5 to 11 years old must be accompanied by a parent/guardian who can provide consent for the vaccination.

To find out which centres offer walk-ins, visit [Vaccination centres](#).

### MEET OUR SCHOOL ADVISORY COUNCIL

Our School Advisory Council was established at the end of 2021 and our first meeting for the year was held last week.

The School Advisory Council plays an important role in supporting the work of the Principal by:

- Articulating and enacting the school's Vision and Mission
- Promoting the school's Catholic ethos and culture
- Promoting faith formation and development
- Implementing school policies as required
- Giving advice to the Principal on issues such as enrolments, school improvement plans and enrolment trends
- Engaging in discussion with the Principal about the annual school budget and other financial matters
- Giving advice to the Principal about the school Master Plan
- Capital resource planning and maintenance support to the Principal.

### SCHOOL HATS IN TERM 1

In Australia we have "one of the highest rates of melanoma diagnoses in the world...two in three Australians will be diagnosed with skin cancer by the age of 70" (SunSmart, 2019). The good news is that almost all skin cancers are preventable. It is recommended that staff and students use a combination of sun protection measures (i.e. sun hat, sunscreen, clothing, shade and sunglasses when outdoors, avoid deliberate and extended sun exposure) when UV index levels are 3 or above (generally from mid-August to the end of April in Victoria). In Term 1 and Term 4 all students and teachers are required to wear a hat when they are outside. It is an expectation and school policy that all students wear their school hat and their correct school uniform at all times.

### NAPLAN 2022

This year, the students in Years 3 and 5 will be taking part in the National Assessment Program – Literacy and Numeracy (NAPLAN) from 10<sup>th</sup> May – 20<sup>th</sup> May 2022.

NAPLAN is a nationwide measure through which parents, teachers, schools, education authorities, governments and the broader community can determine whether or not young Australians are developing the literacy and numeracy skills that provide the critical foundation for other learning and for their productive and rewarding participation in the community.

NAPLAN results allow parents/carers and educators to see how students are progressing in literacy and numeracy over time – individually, as part of their school community, and against national standards. The assessments are undertaken nationwide, every year, in the second full week in May.

NAPLAN is made up of tests in the four areas (or 'domains') of:

- Reading
- Writing
- Language conventions (spelling, grammar and punctuation)
- Numeracy.

## Catholic Education Week: 13–20 March 2022

This year, all Catholic schools in the Archdiocese of Melbourne will celebrate Catholic Education Week 2022 from 13 to 20 March. The theme for Catholic Education Week 2022 is 'The Way of the Gospel'. This theme is based on Archbishop Peter A Comensoli's 2021 Pastoral Letter.

There are 335 Catholic primary and secondary schools across Melbourne, enrolling more than 150,000 students and employing approximately 17,000 staff. Catholic schools provide a high-quality education in a faith-centred environment. This annual event is held to promote the special ethos of Catholic schools and to highlight the great things that take place in Catholic schools every day.

## National Day of Action against Bullying and Violence

There are 2 very important Wellbeing Whole School Days/Events upcoming in Week 8 and Week 9, both highlighting very important messages for us teachers, children, and families.

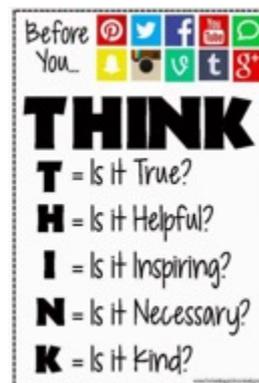

**National Day of Action Against Violence and Bullying** falls on Friday 18<sup>th</sup> March.

**Harmony Week** falls between Monday 21<sup>st</sup> March – Sunday 27<sup>th</sup> March.

**Whole School Events for these 2 important days will be messaged on Class Dojo in coming days.**

Below are 2 **THINK** posters our school will be sharing with students in the classroom and Student Leaders will share at assembly. The Student School Leadership team will be working with each P-6 Grades to promote and support teachers and students to learn about positive behaviours and respectful relationships. These key messages are not just on these celebratory days, but a way of striving to remember to THINK all the time before we speak and before we enter any digital platform.

I will post these as PDF files for home use on Class Dojo in coming days.
