The 5th June 2022 is Pentecost Sunday

Historical Context Pentecost

The word Pentecost comes from the Greek for fiftieth day. Pentecost Sunday ends the season of Easter and comes as a Sabbath day after seven weeks of seven days. In Jewish tradition the 50th day after the Passover was celebrated as a blessing of the harvest and rather than the unleavened bread of Passover it was celebrated by leavening the bread. It was for this reason that the disciples were gathered together when they experienced the Holy Spirit empowering them. In Christian tradition, Pentecost is celebrated as the arrival of the Spirit, promised by Jesus, that animated the disciples to spread the gospel of Jesus and gather believers to form what would eventually become the Church.

Have you thought? The Spirit

We can sometimes regard Pentecost as the day the Holy Spirit came into the world. However, the Spirit had long been active in the world before this event. In fact, even the second verse of Genesis Chapter 1 tells us that the Spirit hovered over the waters. The Old Testament is filled with references in which 'The Spirit of God came upon (him) with power' and the Spirit was evident at Jesus' baptism and throughout the gospels. Jesus is frequently described as being 'filled with the Spirit'. So, from the very beginning of creation the Spirit has moved in the world and continues to energize it today.

Living the Gospel

Come, Holy Spirit

'Come, Holy Spirit', or its Latin, Vene Sancte Spiritus, has become the basis of countless prayers and hymns over many hundreds of years. To this day, it remains a powerful invocation that can be used in prayer or meditation. Three simple words convey a wealth of meaning. The invitation for the Spirit to 'Come' indicates recognition of the need for the Spirit's intervention and openness to accept the guidance that the Spirit brings. It is a powerful, simple prayer that can be used at the outset of any significant undertaking or whenever you find yourself in need of inspiration.

Principal's Message:

Dear Holy Eucharist Community,

On behalf of our school and parish community I would like to congratulate our Year 6 students and our past (students who are now in Year 8) on receiving the Sacrament of Confirmation on Saturday. I would also like to thank Mrs Vanessa Shaw for all her hard work; commitment and perseverance in making sure that all our present and past students received their final Sacrament of Initiation. It was not an easy task, but despite all the challenges surrounding the COVID-19 restrictions, Mrs Shaw managed to regularly communicate to our present and past families and kept them updated with all the changes.

I am also very grateful to our staff, particularly the Grade 6 teachers who prepared our students for the Sacrament of Confirmation and to all the teachers who were sponsors. Thank you also to Bishop Martin Ashe, Father Vincent and to Father Lovink for their support and guidance for being so flexible with all the changes. The celebration went extremely well, considering we had more than 80 students receiving the Sacrament of Confirmation.

This week is National Reconciliation Week (NRW). It is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

Each year, we celebrate NRW from 27 May to 3 June. These dates commemorate two significant events in our journey towards reconciliation:

- On 27th May 1967, Australians voted to change the Constitution so that Aboriginal and Torres Strait Islander peoples would be included as part of the population and so that the Commonwealth would be able to make laws for them.
- On 3rd June 1992, the High Court of Australia court overturned the concept of 'terra nullius' (meaning that no one owned the lands before European Settlement), leading to the legal recognition of Aboriginal and Torres Strait Islander peoples as the Traditional Owners and Custodians of lands. This paved the way for the recognition and protection of native title across Australia, and the passing of the Native Title Act 1993 (Cth).

"Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples" (RA, 2021).

WELCOME AND FAREWELL

A big welcome to Caitlyn Tamchai and to Erica (Thoa) Le who are our new Learning Support Officers (LSO). They will be assisting students with additional learning needs across the school. We also say farewell to Priya Rajasekhar who has worked at our school as an LSO for almost 7 years. Whilst working as an LSO, Priya went to university part time to become a teacher. She will have taken up a teaching position and will commence in Term 3. We wish Priya and our new staff all the very best. Connie LaMacchia has also accepted an Administration position at Catholic Regional College, St Albans. Connie has worked at our school for more than 9 years and will begin her new role in early Term 3. We also wish Connie the best of luck.

COVID-19 SCREENING UPDATE

RATs will continue to be distributed to you as they have been throughout this school year for the remainder of Term 2. However, from now on, we do not recommend that your child complete a RAT twice a week as previously advised.

RATs will continue to be required by students who are household contacts to attend school (five negative tests over a seven-day period) or who have symptoms.

The ongoing supply of RATs to families in our school will ensure that parents and carers have tests should they need them if their child is a household contact or has symptoms.

Families must continue to notify the Department of Health and the school if their child returns a positive RAT result. Additionally, you should inform us if any of your children are household contacts.

Thank you to all families who have had their child vaccinated. Vaccination continues to remain the best way to protect students and staff in our school.

Getting vaccinated is easy and bookings can be done via the Department of Health's website <https://portal.cvms.vic.gov.au>. If you have any questions about the vaccines, I encourage you to speak to your GP or a health practitioner.

Thank you again for your ongoing cooperation and support during this time.

PARKING

Residents in the area have reported that parents/carers from our school are blocking driveways in the morning and pick up time. I urge you please, not to block or park in people's driveways and to respect their private property. The residents have escalated their concerns to the local council and as a result, Brimbank Council will be patrolling the streets around the school. They are issuing fines to people who are not obeying the law. Please remember, the school does not have the authority to cancel fines issued by the council.

SEMESTER 1 REPORTS AND PARENT TEACHER INTERVIEWS

Semester 1 Reports together with your child's Assessment Portfolio will be sent home on Friday 24th June 2022.

We anticipate that Parent/Teacher interviews will be held early in Term 3. They will hopefully take place on Wednesday 13th July 2022 (depending on the government advice/regulations at that time). The **students will finish school at 12pm on this day**. There will be more information provided in the coming weeks.

PUBLIC HOLIDAY

Please note that the school will be closed on **Monday 13th June (Queen's Birthday – Public Holiday)**.

SCHOOL REVIEW

In Victoria, schools are reviewed to make sure they are meeting the minimum standards and other requirements for registration. The review is a requirement by the Victorian Registration and Qualifications Authority (VRQA). Catholic schools in the Archdiocese of Melbourne take part in the review process every 4 years. The School Review is used to support deep learning and ongoing monitoring of improvement throughout the four-year continuous improvement process within the School Improvement Framework.

School Review supports schools and the wider system to foster improvement in an ongoing and continuous way, as well as ensuring schools continue to meet external legislative and regulatory requirements.

School Review has two main dimensions – **improvement** and **compliance**.

In Term 3, there will be 3 Closure Days to prepare staff for our School Review. Therefore the school will be closed on

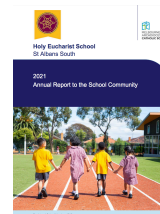

- **Thursday 21st July 2022**
- **Friday 22nd July 2022**
- **Friday 19th August 2022**

THE ANNUAL REPORT TO THE COMMUNITY - 2021

The Annual Report to the Community is a requirement by the Victorian Registration and Qualifications Authority (VRQA) and Melbourne Archdiocese Catholic Schools (MACS). The purpose of the Annual Report to the Community is to inform parents and the wider school community of the school's successes, activities and achievements throughout the year and to meet legislative and regulatory requirements under the Education and Training Reform Act 2006 and the National Education Agreement 2008. Schools are required to submit this report annually to MACS.

The 2021 Annual Report to the Community is accessible on the school website and is available at the school office.

SWIMMING

The swimming program will begin with the Middle and Senior grades next week (Week Beginning Monday 6th June) and the Juniors will commence swimming the week after (Week Beginning 13th June).

The Australian Government mandates all schools to provide a swimming program for every student. Therefore, it is an expectation that all students participate in the upcoming swimming program. Any student who requires an exemption, will need to email the class teacher and the principal. Any student who is exempt, will still be expected to attend with their class and sit with their teacher. These students will also require permission to travel by bus, to and from the swimming pool.

ENROLMENTS 2023

Enrolments are now open for 2023. We have already had a number of enquiries at the office from new families who wish to enrol their child for Grade Prep in 2023. **It is really important that our current parents register their child/ren at the office if they wish to enrol them for Grade Prep in 2023.** We will begin interviewing our new enrolment applicants next month.

SCHOOL FEAST DAY

Holy Eucharist School's feast day is on Thursday 16th June 2022 (*The Feast of Corpus Christi – Feast of The Body and Blood of Jesus*). NEW CHILD SAFE STANDARDS

Back in 2016, all Victorian primary and secondary schools had to comply with Ministerial Order 870 – [Child Safe Standards – Managing the risk of child abuse in schools](#) in order to be registered, and remain registered with the [Victorian Registration and Qualifications Authority](#) (VRQA).

The government announced in July last year, that there will be 11 new Child Safe Standards in order to have consistency at a national level. Ministerial Order No. 1359 – Implementing the Child Safe Standards – managing the risk of child abuse in schools and school boarding premises (MO 1359) was released in February 2022.

The new Child Safe Standards outlined in Ministerial Order 1359 come into effect on 1 July 2022 in all Victorian schools. Schools will transition from the current seven Standards to the new 11 Standards, and Ministerial Order 870 will no longer apply.

The new Child Safe Standards as set out in Ministerial Order 1359 are as follows:

1. Culturally safe environments – Organisations establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.
2. Leadership, governance and culture – Child safety and wellbeing is embedded in organisational leadership, governance and culture.
3. Child and student empowerment – Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.
4. Family engagement – Families and communities are informed, and involved in promoting child safety and wellbeing.
5. Diversity and equity – Equity is upheld and diverse needs respected in policy and practice.
6. Suitable staff and volunteers – People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.
7. Complaints processes – Processes for complaints and concerns are child focused.
8. Child safety knowledge, skills and awareness – Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.
9. Child safety in physical and online environments – Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.
10. Review of child safety practices – Implementation of the Child Safe Standards is regularly reviewed and improved.
11. Implementation of child safety practices – Policies and procedures document how the organisation is safe for children and young people.

Nationally Consistent Collection of Data (NCCD) On School Students with Disability

What is the Nationally Consistent Collection of Data?

Schools must now complete the *Nationally Consistent Collection of Data on School Students with Disability (NCCD)* every year. It counts the number of students who receive additional adjustments or “help” at school because of a disability. The NCCD helps governments plan for the needs of students with disability.

I would like to take this opportunity to thank families who over the past year (Aug 2021- Aug 2022) have participated in Program Support Meeting (PSG's) with me and staff members to continue supporting conversations for your child's wellbeing and academic learning, who require additional adjustments to help them learn.

Over the past year we have been met with many COVID challenges, however, to meet the criteria of NCCD submission, PSG conversations have occurred remotely over the phone, on Zoom, outside buildings and at school gates. I have had to think creatively to ensure the school has continued school and family partnership conversations for our children's Personalised Learning Plans (PLP's). Your support for the school and your children is much appreciated.

There are a few parents yet to see before the 5th of August 2022 submission and this will occur over the next few weeks.

More information translated in Vietnamese, Chinese, Tagalog, Arabic and English are available and have been available all year on our school website <https://www.hestalbanssth.catholic.edu.au/> or please visit the NCCD portal for more information <https://www.nccd.edu.au/>

LITERACY NEWS

What's been happening?

Students have been given many and varied opportunities to write this term. The Prep students have been writing recounts about various events or things that they have participated in.

Year 1 students have been using their imagination to respond to a picture prompt and write an interesting story.

Year 2's have been focusing on the process of writing. Firstly, they planned their procedural text following an experience that the teachers provided. Next, the students drafted their procedural text. Once the writing was completed, they edited and then produced a final copy using the laptops to share with their families on Class Dojo.

The Year 3's have focused on a couple of text types in preparation for NAPLAN.

Their main focus now has been to write procedural recounts following the completion of science experiments.

Year 4 students are currently working on writing scientific reports, as are the Year 5 students. In addition to writing pieces to meet class expectations, Mrs Nemet has been challenging the students to write interesting sentences using 'three word connect' as a strategy to write interesting sentences as well as improve sentence structure. Thank you Nancy Duong and Harkeerat Singh 5SN.

In Year 6 the students have written a recount about their experiences at Camp during Week 4. As always, I love sharing with you great examples of writing. Following is a recount piece written by Danny Tran 6JC. I have his permission to share this with you. Danny has also included a picture. Well done Danny!

The Depressing Incidents

"Beep!" We finally arrived at our destination, so much for fun because it has started dribbling over our heads, "Oh great, it has stopped!" I said as I ran into a wall a few seconds later. We then later walked to the oval to do some activities together which got my clean, brand new shoes so filthy, from snow white to dirt brown. How awful the soil and grass was badly significant. Then we did group activities, no one was communicating and trying to be first thinking they were the best and ended up being there for what felt like an eternity. We were done and dusted for today's activities and we finally got to rest peacefully in our cold, shivering cabins.

I couldn't sleep. I tossed and turned, tried everything but it was raining cats and dogs outside. All of a sudden, angry aggressive pig noises occurred as Kevin slept face down onto his pillow. Havoc emerged throughout the night as I got more paranoid of my sleepwalking since I was on the top bunk - which I would fall right off the mattress, snap my neck, break my spine, giving me a severe concussion and so much trauma for the rest of my life. My stomach was tormenting me, how hungry I was, words couldn't explain. I slowly accepted my fate as I fell into a great, deep slumber. My eyes flickered multiple times as I slowly awoke, "Ow, ouch my back!" I exclaimed as it felt like my back split into a bajillion pieces. A tear of emotional and physical pain shed down my face as I got up and headed to breakfast. I was so glad, I finally could eat and get a taste of something nutritious for once! Cereal. You heard me right, cereal. Out of everything I ate for the past few days, cereal was the most delicious. We participated in another few epic activities and saved the

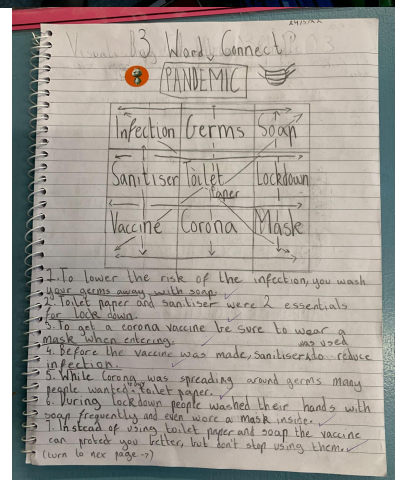

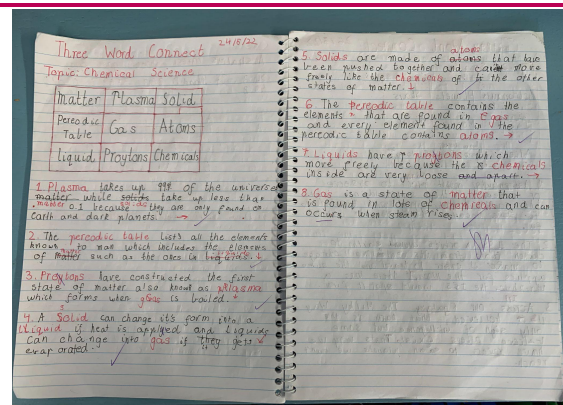

"big boy" for last.

As I took a glance while my eyes soared around, glaring at the treacherous giant swing... I was trembling, my soul was frozen, we slowly got our turns as I was the eighth person to go on the giant swing. 'It's almost your turn Danny,' Kevin taunted me over and over again repeatedly. As I was strapped on, the pain was excruciating, it felt like 2 titanium walls colliding and compressing me. Goosebumps could be identified all over my body. I yelled 'stop!' from the depths of my voice box as I was already 3 quarters of the way up. I took the deepest breath I have ever made in my entire life as I tugged onto the rope and pulled it. I swung off and it felt like my soul left my body, I was fully lifeless for 20 whole seconds! I was dead and alive, I was in heaven and then back. I was struggling to breathe. I got off and needed rest right away, it was vital for me to at least take a single minute break. I would LOVE to come back, only if they promise to not serve warm plain strawberry ice cream and also strap me to my bed to make me less traumatised. Not only that but I was terrified of the outdoor showers as it was literally menacing, there was "courage eating creepy crawlies" and I hated them so badly. BUT, I would have to admit it was very fun and entertaining and I loved camp Doxa's garlic bread, it was so soft and there is nothing ever wrong with garlic bread. Danny Tran
