THE TRANSFIGURATION OF THE LORD – YEAR A

A reading from the holy Gospel according to

Matthew (17:1-9)

His face was shining like the sun.

Jesus took with him Peter and James and his brother John and led them up a high mountain where they could be alone. There in their presence he was transfigured: his face shone like the sun and his clothes became as white as the light.

Suddenly Moses and Elijah appeared to them; they were talking with him. Then Peter spoke to Jesus. 'Lord,' he said 'it is wonderful for us to be here; if you wish, I will make three tents here, one for you, one for Moses and one for Elijah.' He was still speaking when suddenly a bright cloud covered them with shadow, and from the cloud there came a voice which said, 'This is my Son, the Beloved; he enjoys my favour. Listen to him.' When they heard this, the disciples fell on their faces, overcome with fear. But Jesus came up and touched them. 'Stand up,' he said 'do not be afraid.' And when they raised their eyes they saw no one but only Jesus.

As they came down from the mountain Jesus gave them this order, 'Tell no one about the vision until the Son of Man has risen from the dead.'

Principal's Message:

Dear Holy Eucharist Community,

Firstly, a big congratulations to our Prep students on their '100 Days at School' celebration. It was heart-warming to see our young learners dressed as old people and enjoying the special day with breakfast and a sausage sizzle. Their enthusiasm and joy brightened up the school environment.

Next, I extend my heartfelt gratitude to all the Year 3 families who attended the Reconciliation Family Faith Evening on Tuesday night. It was wonderful to witness the strong presence of both families and staff. I want to express my appreciation to Mrs Eloise Meyer from Melbourne Archdiocese Catholic Schools (MACS) for being our wonderful presenter on that evening.

Lastly, I am pleased to inform you that our Year 3s and Year 5s received their NAPLAN reports last week. According to the new scale, our students as a whole, have achieved 'at the expected level'. As always, our students' success is a result of a collective effort involving all our teachers, parents, and the wider school community. Your continued support plays a crucial role in shaping their educational journey.

Finally, I would like to thank all the parents and carers who participated in Parent Support Group (PSG) discussions over the last few weeks. During the PSGs it was pleasing to see our parents/carers and staff working together in partnership to support our students with diverse needs. A big thank you to Mrs Semcesen for organising these meetings and for supporting our students and families. Our National Consistent Collection of Data (NCCD) for funding of children with additional needs was submitted today (4th August 2023).

Wishing you a peaceful weekend.

God Bless,

Mr Michael Bonnici

Get your costume ready for Book Week Dress Up Day on Thursday 24th August. We'll be having a whole School Assembly that day at 12pm. All Welcome!

WORLD YOUTH DAY 2023

As mentioned in our last newsletter, Mrs Vanessa Shaw (our Religious Education Leader) was chosen to be a part of the Emerging Leaders Program pilgrimage. Pilgrims from the Archdiocese of Melbourne, including our Mrs Shaw got to see the Holy Father Pope Francis in Rome in a special private audience as part of the lead-up to World Youth Day in Lisbon.

The extraordinary opportunity, lasting more than 50 minutes, involved 133 emerging leaders who are part of nearly 600 young people from Melbourne enroute to World Youth Day from 2nd to 6th August. His Holiness offered great encouragement to the young leaders in their faith journey and happily answered questions on topics ranging from education to evangelisation, the environment and caring for our common home.

'I'm very happy to welcome you here and to see such courageous young people', said Pope Francis.

When asked what message he wanted to get across to young people, the Holy Father simply said:

'The main message I want to get across is that the Lord is always by your side – always. Even in the most difficult moments, he is always with us. He never tires of walking with us!'

The emerging leaders group led by Archbishop Peter A Comensoli, along with Dr Edward Simons, Executive Director of Melbourne Archdiocese Catholic Schools (MACS), is made up of young professionals from media, schools, parishes, and the health and social services sectors. Travelling on a unique formation experience, 'Our Emerging Leaders Program' is designed to open participants to leadership in the life of the Church.

Let us keep Vanessa and all our pilgrims in our thoughts and prayers as they embark on this transformative pilgrimage.

MELBOURNE ARCHDIOCESE CATHOLIC SCHOOLS – SCHOOL IMPROVEMENT SURVEYS (MACSSIS)

Throughout each year, we pause to listen to our students, families and staff to gauge how our learning community is travelling. This feedback is invaluable to our progress as effective school communities and is backed by evidence-based research and best practices.

A significant and formal way in which we engage and gather data is through MACSSIS, the Melbourne Archdiocese Catholic Schools – School Improvement Surveys. One of the main goals of the MACSSIS survey is to identify the strengths and areas for improvement within our school. We believe it is important that you have a voice in order to contribute to shaping the ongoing improvement of Holy Eucharist School.

The survey will be accessible online in English and in various other languages and dialects, from Monday 28th August and will need to be completed by Friday 15th September 2023. All participation is invited, welcomed and 100% voluntary. The surveys are not a test; they are an inclusive way to inform the work we are already doing to improve our school. Everyone has the right to refuse to participate, or withdraw from the survey at any point before, during, or after completion of the survey. Please notify the school if your child (Years 4-6) does not wish to participate. If you would like more information, please free to contact Michael or Anne-Marie at the office.

NAPLAN REPORTS

Last week, our Year 3s and Year 5s received their NAPLAN reports. Education ministers agreed to change the way NAPLAN results are reported from 2023, following the move of NAPLAN from May to March and the full transition to online assessment. The measurement scales and reporting time series have been reset, and proficiency standards with 4 levels of achievement for each assessment area at each year level replace the previous numerical NAPLAN bands and national minimum standards.

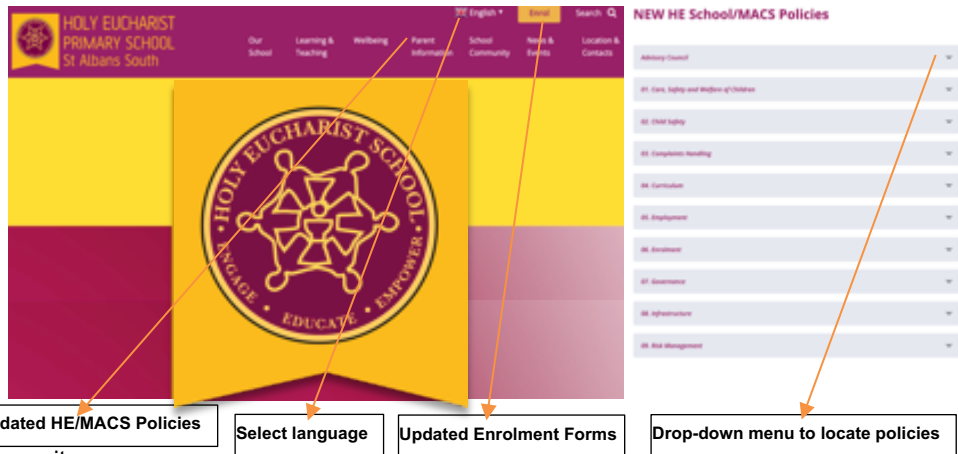

Well done to all our students and teachers. According to the new scale our students at Holy Eucharist (overall) have achieved 'at the expected' level for Reading, Writing, Grammar and Punctuation and Numeracy.

Many secondary schools are requesting NAPLAN reports as part of their enrolment process. Please look after these reports and keep them in a safe place. If a report is lost, these will need to be reissued from the test administration authority in Victoria.

IS YOUR CHILD UNWELL?

Students must stay at home if they are unwell or if they may have been exposed to COVID-19. This can prevent an entire class or the rest of the school having to quarantine.

Please remember, it is vital that your child does not come to school, if they have a sore throat, a temperature, tummy pains or shortness of breath, otherwise they will be sent home immediately.

COVIDSafe measures have changed, however schools are required to continue to implement important practices to reduce the risk of COVID-19 transmission. Schools must keep their COVIDSafe Plan in place and will need to review and update these as required. Schools must continue to ensure air purifiers are used, external ventilation is maximised, good personal hygiene is encouraged, and face masks are made available for staff, students and visitors who wish to wear them.

It is recommended that rapid antigen tests (RATs) are used by students and staff if they:

- have symptoms of COVID-19 infection, no matter how mild
- are a household or close contact of someone who has COVID-19
- are a social contact of someone who has COVID-19.

The Department of Health recommends that all Victorians report their positive RAT result via the online form or by calling 1800 675 398. Principals are no longer required to inform their school community of a positive case associated with the school, and also, schools are no longer required to report COVID-19 case numbers to Melbourne Archdiocese Catholic Schools (MACS).

RATs are available for all Victorians from council sites. Individuals can obtain two free packs (10 tests) for themselves and two free packs (10 tests) for each of their household members. People with disability and their carers can get up to four free packs (20 tests) in line with existing RAT distribution for people with disability.

Further information can be found on the Coronavirus Victoria website. Please visit <https://www.coronavirus.vic.gov.au/about-rapid-antigen-tests>

NEW BUILDING

I am thrilled to inform you that we have reached a significant milestone, with the building now 50% completed. Despite the challenges posed by the steel shortage, we are making steady progress. The bricklayers have completed 95% of the brickwork on the ground floor and I'm pleased to inform you that the scaffolding arrived this morning which will assist with the completion of the first floor.

The plasterers have made lots of progress on the walls and ceiling on the ground floor. Work has commenced on the external staircase and the wall frame upstairs.

Please visit our school website to see an aerial video footage of the progress made at the building site.

RELIGIOUS EDUCATION

Mary of the Cross - Feast Day 8th August

Mary Helen MacKillop (Religious Sister of St Joseph [RSJ]), was an Australian nun who has been declared a saint by the Catholic Church as Saint Mary of the Cross. She was canonised on 17th October, 2010 and is Australia's first Saint.

Patron Saint of Australia, Abuse Victims, Trauma & the Poor

Dear God,

Thank you for the life of St Mary of the Cross MacKillop.

She showed us that in the struggles and hard times of her life you were there, loving and helping her.

Please be with me when times are hard or when I am afraid.

Please help me to love you just as she loved you. Amen.

"Never see a need without doing something about it" Mary MacKillop

The Assumption of the Blessed Virgin Mary- Feast Day 15th August

Historical Context

Since the 5th Century there has been an active tradition and belief around the assumption of Mary. The tradition states that Mary was physically 'taken up' into heaven at the end of her life. It is believed that her soul and her body remained united. This ancient belief was defined as an infallible teaching of the Church by Pope Pius XII in 1950. It is one of only two infallible statements that have been defined as such and both related to the Blessed Virgin Mary. The feast is celebrated on August 15 and is a Holy Day of Obligation.

PREPS - 100 DAYS AT SCHOOL!

Last week, the Grade Prep students celebrated 100 days of school. The Prep students and their teachers came to school to dressed up as a 100-year-old person!

The Preps and their teachers had a wonderful day!

LITERACY NEWS

Term 3 is my favourite term because of Book Week :-)

What is Book Week?

Each year since 1945 the Children's Book Council of Australia (CBCA) has brought children and books together across Australia through CBCA Book Week. During this time schools and public libraries spend one week celebrating books and Australian children's authors and illustrators. Teachers and librarians create colourful displays, develop activities, run competitions and tell stories relating to a theme to highlight the importance of reading. Book Week 2023 will run from August 19th to 25th. This year's theme is "Read, Grow, Inspire."

Nationally Consistent Collection of Data (NCCD) On School Students with Disability

What is the Nationally Consistent Collection of Data?

Schools must now complete the *Nationally Consistent Collection of Data on School Students with Disability (NCCD)* every year. It counts the number of students who receive additional adjustments or "help" at school because of a disability. The NCCD helps governments plan for the needs of students with disability.

I would like to take this opportunity to thank families who over the past year (Aug 2022- Aug 2023) have participated in Program Support Meeting (PSGs) with other staff members and me to continue supporting conversations for your child's wellbeing and academic learning, who require additional adjustments to help them learn.

More information translated in Vietnamese, Chinese, Tagalong, Arabic and English is available and has been available all year on our school website <https://www.hestalbanssth.catholic.edu.au/> or please visit the NCCD portal for more information <https://www.nccd.edu.au/>

National Day
of Action against
Bullying and Violence

18 August 2023

BULLYING. NO WAY!

bullyingnoway.gov.au

On Friday 18 August 2023, Holy Eucharist School is participating in the **National Day of Action against Bullying and Violence (NDA)**. The NDA is Australia's key bullying prevention initiative, connecting schools and communities to find workable solutions to prevent bullying.

The theme for the 2023 National Day of Action against Bullying and Violence (NDA) is **Growing connections**. Growing connections helps everyone feel accepted, respected, included and supported. Being connected and having people to talk to, or to ask for help, can help to prevent bullying.

All students will have a casual day and are encouraged to wear something ORANGE on Friday, 18th August in order to recognise the *National Day of Action against Bullying and Violence*. It's an important day to raise awareness and work together on positive and proactive solutions to prevent and address bullying.

Students will be learning about bullying prevention to discover what growing connections means to them, and how it can increase positive social behaviours and help prevent bullying.
