All Saints' Day - 1st November

All Souls' Day - 2nd November

All Saints' Day commemorates all saints and martyrs.

All Souls' Day is a day of prayer for the souls of all the departed faithful

A reading from the letter of St Paul to the Romans (Rom 6:3-4, 8-9)

Let us walk in newness of life.

When we were baptised in Christ Jesus we were baptised in his death; in other words, when we were baptised we went into the tomb with him and joined him in death, so that as Christ was raised from the dead by the Father's glory, we too might live a new life.

But we believe that having died with Christ we shall return to life with him: Christ, as we know, having been raised from the dead will never die again. Death has no power over him any more.

Dear Holy Eucharist Community,

Today we celebrated World Teachers' Day! This special occasion recognises the dedication, hard work, and passion of our teachers and staff, who play such an important role in shaping our children's futures. We are truly fortunate at Holy Eucharist School to have a team of enthusiastic and caring educators committed to helping every child reach their full potential. Hats off to our teachers for all that they do!

November is a month of reflection and remembrance. Traditionally, it is a time to honour both the saints and those who have passed away. The saints, who lived in many times and places, shared a profound love for God - dedicating their lives to holiness and to spreading His message of salvation. As Catholics, we believe that the saints intercede for us, forming part of the Communion of Saints who are united with us in faith.

The Feast of All Souls brings us consolation and hope as we remember our loved ones; family, friends, and colleagues, who have journeyed to God. Throughout November, we celebrate their lives with love and gratitude, holding them in our prayers as part of the great Communion of Saints.

In other news, this week we began repainting the interior of our school hall. Once the painting is complete, we plan to have the carpet steam cleaned before the holidays. In the coming weeks, we are looking forward to having three new flagpoles installed at the front of the school. These will be purchased using funds raised from the Colour Splash event, with the school also contributing to the cost. The flagpoles will display the three official flags of Australia: the Australian National Flag, the Australian Aboriginal Flag, and the Torres Strait Islander Flag. The Aboriginal and Torres Strait Islander flags, officially recognised in 1995, are flown alongside the National Flag to symbolise Australia's Indigenous heritage and unity.

Please note that **school will be closed on Monday, 3rd November**, as teachers will be using this day for report writing. Additionally, **school will be closed on Tuesday, 4th November**, in observance of the Melbourne Cup public holiday.

Wishing you all a restful and enjoyable long weekend ahead.

God bless,

Michael Bonnici

ALL SAINTS DAY AND ALL SOULS DAY

As we enter the month of November, we are invited to pause and remember two special days in the Christian tradition: **All Saints' Day** on November 1st and **All Souls' Day** on November 2nd.

On **All Saints' Day**, we celebrate all the saints who have gone before us - those known and unknown, remembered and forgotten. It is a time to honour the lives of people who have shown deep faith, courage, and dedication, and to draw inspiration from their example.

The following day, **All Souls' Day**, is dedicated to remembering all who have died - our friends, colleagues, relatives, and leaders; those we have known, worked with, laughed with, wept with, and walked alongside.

During this month of remembrance, and especially as our school celebrates its **50th year**, we hold in prayer all the priests, sisters, and staff of Holy Eucharist parish and school who have gone before us. We remember them with love and gratitude, trusting in faith that they now share in the eternal joy of God, within the great communion of saints.

WORLD TEACHERS DAY

World Teachers' Day is an international day held annually to celebrate the dedication and impact of teachers and educators around the world.

Today, we join schools across Australia in celebrating and recognising the amazing contribution our teachers and staff make each and every day in the lives of children, families, and the wider community. If you see our staff today, please take a moment to thank them for the invaluable contribution they make to our school.

At Holy Eucharist School, we are truly blessed with a dedicated team who live out the words of our school motto - to **educate, engage, and empower** our students every single day to reach their full potential.

The theme for World Teachers' Day 2025 in Australia, **"Hats Off to Teachers"**, invites us to honour educators for their incredible work in shaping the lives of young people.

On behalf of our school community, I extend our heartfelt thanks to all our wonderful staff for their tireless commitment, care, and passion in supporting our students at Holy Eucharist.

Happy World Teachers' Day!

This policy helps us promote sun safety and protect our students during the warmer months.

If your child needs a new hat, they are now available for purchase from the school office.

Thank you for your support in ensuring all students are prepared for a safe and sun-smart Term 4.

School is better when your child is here

Going to school every day is the most important part of your child's education. There are no safe number of days for missing school – each day a student misses puts them behind and can affect their educational outcomes and their social connectedness. The best thing you can do is support your child to get to school every day.

A positive attitude towards school, healthy habits and routines, and parental involvement can support your child's regular school attendance and prevent chronic absence patterns.

1. Establish positive habits to promote attendance

- Set good bedtime and morning routines to make the process of getting to school smoother for everyone. Try to prepare as much as possible the night before, e.g. school uniform, school bag packed.
- Ensure your child gets enough sleep and exercise to support their physical and mental health.
- Talk positively about the importance of school attendance with your child. Explain that it is an important part of growing up, a legal obligation and that you expect them to attend every day.
- Show an interest in your child's school and become involved where possible. Keep notes, newsletters, etc. in a place where they are visible reminders of school news for the whole family. Talk about school activities in a positive manner.
- Discuss any changes to usual routines in advance with your child, such as alternative drop-off and pick-up arrangements, to ensure clarity and minimise anxiety.

2. Changes in your child's attitude towards school

We all have those days when it is just too hard to get up and feel motivated to go to work or school, but if this occurs regularly, it may be a sign that your child needs support. Early intervention is vital to address physical, emotional or social reasons for school avoidance before it progresses to chronic absence problems and on to school refusal.

Signs of school avoidance to look out for

- feeling sick before school, e.g. waking up with a headache, stomach-ache or sore throat
- tearfulness, clinginess and dawdling before school – struggling to get out of bed, leave the house or get out of the car
- complaints about attending school and reluctance to talk about school
- missing classes and being late for class.

What is happening at school?

Early signs of school avoidance may be identified at school through observations and insights by your child's teachers. Work in partnership with the school to support your child's attendance and wellbeing.

3. What can you do when you see the signs?

- Work with your child to understand what is happening and so that they feel supported and empowered. Listen with compassion but be consistent in expectations.
- Speak with your child's teacher(s) about your concerns.
- Consider taking your child to the GP to rule out or address any physical or emotional health problems.
- Request and attend school meetings with your child and their teacher to develop strategies to support increased attendance.
