Call [8312 0900] or email [principal@hestalbanssth.catholic.edu.au] and let us know if you need an interpreter. We will organise one for you.

Purpose

This procedure sets out the processes used by Melbourne Archdiocese Catholic Schools (MACS) to manage and respond to complaints to:

- promote the health, safety and wellbeing of students
- ensure consistent and fair complaints management
- improve the outcomes of complaints with a focus on collaboration and resolution
- meet its legal and regulatory obligations

This procedure should be read in conjunction with Complaint Handling Policy for MACS Schools

Procedures for complaints about issues arising at MACS schools

MACS schools are required to develop and maintain a fair, effective and efficient complaints-handling process so that complaints about events or decisions at the school can be addressed. The following steps guide the process in making a complaint about issues arising at MACS.

MACS schools are committed to receiving, managing, and responding to complaints in a manner that achieves the best possible outcome for our students and fosters good relationships with parents/ guardians/ carers.

How to make a complaint with MACS

A complaint is a formal expression of dissatisfaction with an action taken, decision made, service provided or handling of an issue by the school. The nature of complaints covered by this procedure is outlined in the MACS Complaints Handling Policy – Scope. The policy also indicates which complaints are not covered by the policy and how these may be addressed.

Complaints can be raised by students, parents / guardians / carers or members of our school community. A complaint can be about an action taken, decision made, or services provided by the school, or the way in which the school has handled an issue. It could also be about the behaviour of school staff, volunteers, or contractors.

In the day to day running of a school, students, parents/guardians/carers may also have queries, concerns or areas for which clarification is sought. These matters do not constitute complaints, and MACS encourages its employees to work collaboratively with students, parents/guardians/carers and members of the school community to resolve these matters informally with the wellbeing of the student at the centre of the matter. If resolution of the matter is not possible in this manner, then it may escalate to a complaint under the Complaint Handling Policy and this Procedure.

Who to contact

Where appropriate and in the first instance, any concerns or queries are to be raised with a student's classroom teacher or other relevant member of the school's staff.

If a concern is unable to be resolved informally, a complaint may then be raised with the principal or another senior staff member such as the deputy principal.

Where a complaint is received, MACS schools will ensure that the staff member managing the complaint is someone other than the subject of the complaint.

Complaints can be submitted via either email, telephone or an in-person meeting.

In the case of a complaint involving the principal of the school, the relevant regional general manager should be informed. Contact details are listed below, see Complaints Escalation.

Parents/guardians/carers must not approach any other student in the care of the school to discuss an issue or to chastise them. Direct contact with other parents to resolve the matter is also discouraged if the complaint relates to issues or incidents that have arisen at the school.

Clarify the issue

When preparing to communicate an issue or concern, please consider the following:

- Be clear about the topic or issue to be discussed.
- Be mindful of the need to ascertain all the facts relating to the circumstances of the topic or issue.
- Think about what an acceptable outcome would be.
- Check and observe the school's complaints policy or guidelines.
- Write an appropriate note or email to the relevant person outlining concerns.
- Make an appointment to speak on the phone or in person with the relevant person/s.
- Arrange meeting times or phone calls through the office.
- Ensure the relevant person/s is given a reasonable amount of time to take the steps required to resolve or address the concerns.

What information to provide and matters to consider

In making a complaint, MACS requests and expects that the complainant will:

- Raise the concern or complaint as soon as possible after the issue has arisen.
- Be clear about the topic or issue to be discussed.
- Provide all the facts relating to the issues raised.
- Check and observe the school's Complaints Handling Policy and Procedures.
- Communicate and respond in ways that are constructive, fair and respectful.
- Provide complete and factual information about the complaint.
- Observe confidentiality and a respect for sensitive issues.
- Act in good faith to achieve an outcome acceptable to all parties.
- Think about what a fair outcome would be for everyone.
- Have realistic and reasonable expectations about possible outcomes/remedies.

Role of MACS schools

Receipt of complaint

MACS schools will record the details of all complaints, including the name and contact details of the persons making the complaint.

MACS schools will acknowledge receipt of the complaint in writing within two office days.

Where possible, MACS schools will provide indicative timelines relevant to the nature of the complaint and advise the complainant how the complaint will be addressed.

MACS schools will refer the complaint to the most appropriate person to manage the complaint. If the complainant has not raised the issue with the relevant teacher, the principal may ask them to

first discuss their complaint with the teacher, when it is appropriate to do so, before it progresses through this complaints procedure.

To have matters managed fairly, the MACS schools will ensure that the staff member addressing the complaint is someone other than the subject of the complaint.

Complainants should be aware that employees, volunteers and contractors will be informed of formal complaints that are made about them to enable them to respond to the concern raised.

Response to complaints

The staff member to whom the complaint is referred will contact the complainant to let them know they have been allocated to their complaint and the next steps in the process.

The staff member may communicate with the complainant to discuss the issues they have raised and to gain some further information. They may also speak to other staff or students who may be able to provide relevant information.

If a complainant has a known vulnerability that has been communicated to MACS schools, staff will seek to accommodate any cultural, financial, physical, mental or related vulnerabilities by putting relevant support in place.

MACS schools will endeavour to complete any necessary information gathering and hold an initial meeting where appropriate within 10 working days of the complaint being raised. A meeting (where appropriate) will be arranged to discuss the issues raised by the complainant and explore options for resolution.

If a matter remains unresolved and further time is required to resolve the matter, MACS schools will consult with the complainant and discuss any interim solutions to the concerns that can be put in place.

If the complainant and the school cannot achieve a mutually agreed outcome, the principal or someone appointed by them will write to the complainant providing a summary of the action taken by the school in response to their complaint and the school's position in response to the issues raised. This should occur within 20 working days from when the complaint was first received, however, depending on the complexity of the complaint, more time may be needed to gather enough information to fully understand the circumstances of the complaint. MACS schools will provide updates throughout the process as appropriate.

If the scope of the complaint is beyond the capacity or jurisdiction of the school, the matter will be referred to the relevant regional general manager and the complainant will be informed of the referral and reasons for this decision. This may be required for complaints against principals or where matters are unresolved by MACS schools.

MACS schools' recordkeeping and privacy statement

When handling all complaints, MACS regional offices and all MACS schools will keep and maintain any records as required in accordance with information and records management policies and procedures, relevant retention and disposal schedules and any applicable Public Record Office Victoria Recordkeeping Standards.

Privacy laws may prohibit information being provided to the complainant of any specific action that has been taken in relation to individuals about whom the complaint has been raised.

MACS schools will ensure that it will create, maintain, and dispose of records relevant to child safety and wellbeing in accordance with the policies and procedures for recordkeeping in MACS offices.

- an apology – either verbal or written

- support families and school staff in the complaint process by providing appropriate or additional supports; and
- document the actions taken to achieve the outcome.

When a complaint is not resolved after the involvement of a regional general manager, it may be referred to the Executive Director for review by emailing execdirector@macs.vic.edu.au

If the complaint is unable to be resolved to the satisfaction of the complainant, but the matter is however finalised, the complainant has the right to seek alternative independent or other advice or contact other entities such as the Victorian Equal Opportunity and Human Rights Commission. Complaints related to the minimum standards for school registration can be referred to the Victorian Registration and Qualifications Authority (VRQA).

Students raising complaints and concerns

MACS schools encourage students to raise any concerns they may have with a trusted adult staff member at the school. Complaints made by students will be taken seriously.

A trusted adult at the school may include a teacher, support staff or other adult.

The staff member will explain to the student what steps they will take to try to resolve the issue and what the school can do to support the student.

Students can also ask their parent/ guardian/ carer or another trusted adult outside the school to talk to the school about the issue. Other ways students can raise a concern or complaint with the school may include but are not limited to:

- talking to a member of the student representative council about the student's concern and any suggestions for resolving it
- participating in student forums held within the school
- writing a note for an anonymous student suggestions box at the school.

MACS schools will ensure students know/are informed of who to approach and relevant processes to raise complaints by providing information via methods such as posters distributed within the school, information provided at assemblies, or discussions during wellbeing curriculum. For specific information, please speak with your school.

Students may also be assisted/accompanied by a support person when raising a complaint. The support person can be a family member, a friend or a professional with knowledge of the student. The support person can also assist with ensuring the cultural safety of students and families in the complaints process. Further information about support persons can be found below.
